

Certification of Annual Assessment Work and  
Proof of Labor 1970 - 1971

The undersigned hereby certify that the annual assessment work for the Easter claims named Easter 1 through 6, located contiguously in the Delamar Mining District of Lincoln County and recorded on pages 479 (Book "U-1"), 480 (Book "U-1"), 245 Book "U-1"), assessment work for the year ending August 31, 1971 has been completed.

The work consists of the following:

<u>Work Done</u>	<u>Value of Work</u>
1 - Geophysical surveys including Geochem and magnetic surveys performed by Earl Wilson	\$300.00
2 - VLF lines run by J. A. Holloway Aug. 1971	<u>300.00</u>
Total	\$600.00

The undersigned further certify that the necessary location monuments including corner posts and side centers are in place and properly marked according to Federal and State mining laws as of the date of this certification.

We further certify our intent to hold these claims for the valuable mineral content thereof:
