At the instance and request of said Comet Coalition Mines Company and under the direction of affiant, labor performed and improvements made were of an aggregate value in excess of \$23,500.00, which was expended between September 1, 1972 and August 31, 1973. The work consisted of 2345 feet of diamond drilling on five of the above listed claims. A drill hole located on the Gigolo lode claim was drilled from the surface to a depth of 1300 feet. A hole 750 feet deep was drilled on the Lounge Lizard claim. A hole 100 feet deep was drilled on the Juniper No. 1 patented lode claim M.S. 4731. A hole 100 feet deep was drilled on the Hub No. 1, patented claim M.S. 4731 and a hole 95 feet deep was drilled on the Silver Tip claim. The claims on which the work was done are contiguous with the claims listed above. The work was done for the benefit of the entire group of claims.

The diamond drilling was done by Boyles Bros. Drilling Company of Salt Lake City, Utah.

The work was performed and the expenditure made for the purpose of complying with the Laws of the United States and of the State of Nevada pertaining to annual assessment work and pursuant to and for the purpose of obtaining the benefits provided by the mining laws, for the assessment period ending September 1, 1973.
