(a) With or without notice and without releasing Trustor from any obligation hereunder, to cure any default of Trustor and in connection therewith to enter upon the subject property and to do such acts and things as Beneficiary or Trustee deem necessary or desirable to protect the security hereof including: to appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee hereunder; to pay, purchase, contest or compromise any encumbrance, charge, lien or claim of lien which, in the judgment of either Beneficiary or Trustee, is prior or superior hereto, the judgment of Beneficiary or Trustee being conclusive as between the parties hereto; to pay any premiums or charges with respect to insurance required to be carried hereunder; and to employ counsel, accountants, contractors and other appropriate persons to assist them;

(b) To enter upon, possess, manage and operate the subject property or any part thereof; to make, terminate, enforce or modify leases of the subject property upon such terms and conditions as Beneficiary deems proper; to make repairs, alterations and improvements to the subject property, for the purpose of protecting or enhancing the security hereof and Trustor agrees to pay all expenses of action taken under this subparagraph with interest thereon from the date of expenditure at the highest lawful contract rate of interest and that payment thereof shall be secured hereby. All sums realized by Beneficiary under this subparagraph, less all costs and expenses incurred by it under this subparagraph, including reasonable attorneys' fees, and less such sum as Beneficiary deems appropriate as a reserve to meet future expenses under the subparagraph, shall be applied on any indebtedness secured hereby in such order as Beneficiary shall determine. Neither application of said sums to said indebtedness nor any other action taken by Beneficiary under this subparagraph shall cure or waive any default or notice of default hereunder or nullify the effect of any such notice of default. Any action taken under this subparagraph may be taken by Beneficiary or Trustee or any employee or agent of Beneficiary or Trustee with or without bringing any action or proceedings, or may be taken by a receiver appointed by a court, and any such action may be taken without regard to the adequacy of security for the indebtedness secured hereunder and whether or not the indebtedness secured hereby has been declared immediately due and payable and whether or not notice of default has been filed;

(c) To execute a written notice of such default and of its election to cause the subject property to be sold to satisfy the obligations secured hereby. Such notice shall be given and recorded as then required by law as a condition upon the conducting of a Trustee's sale. When the minimum period of time required by law after such notice has elapsed Trustee or Beneficiary or other person designated by Beneficiary without demand on Trustor, shall sell the subject property at the time and place of sale fixed by it in the notice of sale, either as a whole or in separate parcels and in such order as it or Beneficiary may determine, at public auction to the highest bidder for cash, in lawful money of the United States payable at time of sale. Trustee may postpone sale of all or any portion of the subject property by public announcements at such time and place of sale, and from time to time thereafter may postpone such sale by public announcement at such time fixed by the preceding postponement. Trustee shall deliver to the purchaser at such sale its deed conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in such deed of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person, including Trustor, Trustee or Beneficiary may purchase at such sale. The proceeds of the sale shall be applied: First, to the expenses of such sale together with the reasonable expenses of the trust, including counsel fees, in an amount equal to ten percent of the amount secured thereby and remaining unpaid, which shall become due upon any default made by grantor in any of the payments aforesaid, and also such sums, if any, as Trustee or Beneficiary shall have paid, for procuring a search of the title to the premises, or any part thereof, subsequent to the execution of the Deed of Trust, and in payment, secondly, of the obligation or debts secured, and interest thereon then remaining unpaid, and the amount of all other moneys with interest thereon herein agreed or provided to be paid by grantor; and the balance or surplus of such proceeds of sale it shall pay to grantor, his heirs, executors, administrators or assigns; and

(d) To resolve and realize upon a security interest in accordance with law, the security hereunder and any of the security hereafter held by the Beneficiary in such order as Trustee, Beneficiary or other person, may, in their discretion, find necessary to sell in order to accomplish the objects of this Deed. The Beneficiary may, after recording the notice of breach and election, waive or withdraw the same or any proceedings thereunder, and shall thereupon be restored to his former position and have and enjoy the same rights as though such notice is withdrawn or whether the sale is completed. Trustor will pay immediately and without demand all expenses, including expenses for the services of counsel, accountants, real estate brokers and other persons and for contractors for labor or materials, incurred or paid by Beneficiary or Trustee in the exercise of any right, power or remedy for which provision is made hereunder or by law, with interest thereon at the highest lawful contract rate from date of expenditure thereof by Beneficiary or Trustee until paid, and the same shall be secured hereby.

(e) All rights and remedies of Beneficiary and Trustee hereunder are cumulative and in addition to all rights and remedies provided by law. Without altering the liability of any person for payment of any indebtedness secured hereby, or the lien or priority of this deed of trust upon the subject property, Beneficiary may, from time to time, with or without notice, (a) release any person's liability for the payment of an indebtedness secured hereby; (b) make any agreement extending maturity or otherwise altering the terms of the payment of any indebtedness secured hereby; and (c) accept additional security or release any property securing the indebtedness secured hereby.

The Trustor hereby waives the benefit of all homestead exemptions as to the indebtedness secured by this deed of trust, and as to any expenditure for insurance, taxes, levies, assessments, or charges, by the Beneficiary of the secured indebtedness in pursuance of this deed of trust.

The Trustor agrees that he will pay any deficiency arising from any cause after application of the proceeds of the sale, in accordance with the provisions of law and of the covenants herein contained, or any deficiency arising subsequent to any judicial action to foreclose upon the obligations secured by this installment as provided by law.

From time to time, by a writing signed and acknowledged by Beneficiary and recorded in the Office of the Recorder of the county in which the subject property is situated, Beneficiary may appoint another Trustee in place and stead of the Trustee herein named. Such writing shall refer to this deed of trust and set forth the date, book and page of its recordation. Upon recordation of such instrument of substitution the Trustee herein named shall be discharged and the new Trustee so appointed shall be substituted as Trustee hereunder with the same effect as if originally named Trustee herein. A writing recorded pursuant to the provisions of this paragraph shall be conclusive proof of the proper substitution of such new Trustee.

By accepting payment of any sum secured hereby after its due date, or late performance of any obligation secured hereby, Beneficiary will not waive its right either to require prompt payment when due of all other sums so secured or to declare default for failure to make such prompt payment. No exercise of any right or remedy by Beneficiary or Trustee hereunder shall constitute a waiver of any other right or remedy herein contained or provided by law.

This deed of trust shall inure to and bind the heirs, legatees, devisees, administrators, executors, successors, and assigns of the parties hereto. The term "Beneficiary" shall mean the "Holder" (as defined in the Installment Contract), whether or not named as Beneficiary herein, and whether by operation of law or otherwise. Whenever used, the singular number shall include the plural, the plural the singular, and the use of any gender shall include all genders.

Trustee accepts this trust when this deed of trust, duly executed and acknowledged, is made public record as provided by law. Trustee is not obligated to notify any party hereto of pending sale under any other deed of trust or of any action or proceeding in which Trustor, Beneficiary or Trustee shall be a party unless such action is brought by Trustor. Trustee shall not be obligated to perform any act required of it hereunder unless the performance of such act is requested in writing and Trustee is reasonably indemnified against loss, cost, liability and expense.

If more than one person has executed this deed of trust as "Trustor," the obligations of all such persons hereunder shall be joint and several.

This deed of trust shall be construed according to the laws of the State of Nevada.

A copy of any notice of default and of any notice of sale hereunder shall be mailed to Trustor at the address hereinbefore set forth.
