The above described Mining Claim shall be known as the

Lucky Melida No 4

Located this 30th day of May, 1976

NOTE

DIAGRAM OF CLAIM — The location (discovery point) and corner monuments should be designated on the accompanying diagram to make the record of claim more perfect.

A mining claim must not exceed 1500 feet in length along the vein or lode, by 600 feet in width, 300 feet on each side of center of vein at surface.

No location of a mining claim can be made until the discovery of the vein or lode within the limits of the ground claimed.

The claim must be distinctly marked on the ground, so its boundaries can be readily traced.

A severe penalty is provided by law for violating or obstructing the stakes or monuments to a mining claim.

Claims located on Sunday or holidays are legal.

An applicable mineral if points in favor of the Government are payable by citizens of the United States only and those who have declared their intention to become citizens.

The location name must be filed for record with the County Recorder of the county in which claim is located.
