

EDUCATION AGREEMENT

1 THIS AGREEMENT, made this 13th day of June, 1977, by and between the
2 STATE OF NEVADA, acting by and through the NEVADA GIRLS TRAINING CENTER,
3 CALIENTE, NEVADA, hereinafter referred to as "STATE", and LINCOLN COUNTY
4 SCHOOL DISTRICT, P. O. BOX 118, PANACA, NEVADA, hereinafter referred to as
5 "SCHOOL DISTRICT",

6 WITNESSETH:

7 WHEREAS, the State of Nevada maintains the NEVADA GIRLS TRAINING CENTER
8 at Caliente, Nevada for the purpose of correcting and guiding juvenile
9 delinquent girls, and

10 WHEREAS, the LINCOLN COUNTY SCHOOL DISTRICT is a public school system,
11 specializing in education and educational personnel, and

12 WHEREAS, such basic education and educational training are desired at
13 the NEVADA GIRLS TRAINING CENTER, in order that its juvenile delinquent
14 girls may receive such basic high school curriculum training,

15 NOW, THEREFORE, in consideration of the foregoing premises and the
16 reciprocal terms, conditions and covenants of the respective parties hereto,
17 they mutually agree as follows:

18 1. LINCOLN COUNTY SCHOOL DISTRICT agrees to provide educational
19 services for all children in the NEVADA GIRLS TRAINING CENTER, and does
20 further agree to adjust such programs and services to the specific needs of
21 the institution and the girls so assigned. Academic training in basic
22 subjects shall be furnished for a minimum of 214 days actually taught during
23 each year under this contract. In addition, remedial and enrichment programs
24 will be supplemented, as agreed upon by the STATE and the SCHOOL DISTRICT
25 during the summer months between May and September.

26 2. LINCOLN COUNTY SCHOOL DISTRICT will recruit and furnish all
27 personnel when vacancies for academic positions are needed. After personnel
28 have been recruited, each prospective candidate will be interviewed by the
29 Superintendent of the NEVADA GIRLS TRAINING CENTER and must be acceptable
30 to him. All hiring of academic personnel must meet with the approval of
31 the Superintendent of Nevada Girls Training Center and the Superintendent of
32 Lincoln County School District.

1 An academic or vocational program will be provided for each girl
2 residing at the NEVADA GIRLS TRAINING CENTER in conjunction with the
3 treatment program of the NEVADA GIRLS TRAINING CENTER. In addition, the
4 janitorial services for the academic area will be provided for by the
5 Lincoln County School District. This will include the swimming pool, the
6 gymnasium, the multipurpose building and the academic building.

7 3. The office and duties of the Principal of the Academic Division
8 will be subject to the direct supervision of the Superintendent of Lincoln
9 County School District. The Principal will coordinate all phases of the
10 academic program with that of the Nevada Girls Training Center and will
11 direct the activities of the Academic Division as deemed acceptable by the
12 Superintendent of the Nevada Girls Training Center and the Superintendent
13 of Lincoln County School District. The Principal will serve on the Nevada
14 Girls Training Center Progress Review Committee and will be considered as a
15 policy making member of the Nevada Girls Training Center administrative
16 staff.

17 4. The NEVADA GIRLS TRAINING CENTER will furnish the present school
18 building, plus new academic construction as approved, located at NEVADA
19 GIRLS TRAINING CENTER with classrooms equipped, a library, a principal's
20 office and all utilities, including heat and air conditioning.

21 5. All equipment purchased will become the property of the Nevada
22 Girls Training Center and will be designated with a State Property Number.

23 6. The NEVADA GIRLS TRAINING CENTER will deliver the girls to the
24 academic building each morning and each afternoon at a specified time.

25 7. The NEVADA GIRLS TRAINING CENTER will guarantee the LINCOLN
26 COUNTY SCHOOL DISTRICT the placement of 80 girls in the academic program as
27 of the last week of September, which will be considered the first month of
28 the academic school year. This figure will be used for the computation of
29 basic apportionment from the State during the fiscal year. If the NEVADA
30 GIRLS TRAINING CENTER enrolls less than 80 girls into the academic program
31 during the aforementioned specified time, the NEVADA GIRLS TRAINING CENTER
32 will pay the difference, per enrollee, to insure that the guarantee of 80

1 girls enrollment into the program is fulfilled.

2 If the enrollment of girls into the academic program for the afore-
 3 mentioned period exceeds 80 girls, the basic apportionment per student will
 4 be reduced from the agreed contract figure by that amount. This is to say
 5 that if the number of girls enrolled is 81, the contract monies due from
 6 the NEVADA GIRLS TRAINING CENTER will be reduced by \$1,461.00, which is that
 7 basic apportionment generated by the additional enrollee.

8 It is likewise understood and agreed to by all signing parties of this
 9 contract agreement that if the enrollment of girls on September 23, 1977
 10 is less than 80 girls, the NEVADA GIRLS TRAINING CENTER has the right to
 11 restructure and/or delete monies allocated specifically to all or part of
 12 the following areas:

- 13 1). Personal Grooming and Hygiene half-time position,
- 14 2). Auxiliary Services,
- 15 3). Instructional Supplies, and
- 16 4). Replacement Equipment.
