AFFIDAVIT OF LABOR PERFORMED AND IMPROVEMENTS MADE

STATE OF NEVADA        )  
                              ) ss.  
County of Washoe        )

E. A. WINTER, being first duly sworn, deposes and says that he is a citizen of the United States and more than twenty-one (21) years of age, and resides at P.O. Box 10324, Reno, Nevada 89510, and is personally acquainted with the mining claims situated in the Pahranaagat Mining District, Lincoln County, Nevada, the names and books and pages of record in the office of the County Recorder of Lincoln County, Nevada of the location certificates whereof are as shown on Exhibit "A", attached hereto and by reference made a part hereof.

That all of the aforesaid mining claims are owned by:  
Mr. Charles F. Sells  
(Charles and Ora Sells 1974 Trust)  
618 Mosswood Drive  
Henderson, Nevada 89015

That all of said mining claims are leased by:  
Phelps Dodge Corporation  
300 Park Avenue  
New York, New York 10022

That work consisting of drilling with core drill was performed on said mining claim, as follows:

Drilling having a value of at least \$200.00 was performed on the Owl No. 190.

The work was performed and improvements made by Boyles Bros. Drilling Company, P.O. Box 25068, Salt Lake City, Utah 84125, between September 1, 1979 and August 31, 1980.

Said labor was performed and improvements made at the expense of Phelps Dodge Corporation for the benefit of each and all of said mining claims as part of a general plan of exploration, improvements, and development and they tend to expore and develop each and all of said mining claims.
