Scottsdale, Arizona 85251

Dear Sir:

On or about August 29, 1974, Interstate Transportation, Inc. purchased from the Trustee of Combined Metals Reduction Company the tailings marked in the attached map and known as the Iron Manganese Tailings Ponds.

We have entered into an agreement with you to allow you the right to purchase these tailings from us. You have received the copy of the Court approval and contract with the Trustee. You, your employees and agents, have the full power and right to exercise all right, title and interest that Interstate has in said tailings.

Should there be any need for any other clarifications as to the right, title and interest, please do not hesitate to call upon me or Mr. Jay Brown, and we will be more than happy to try to aid you, your employees and agents, in removing, examining and being on said described property.

I remain,

Respectfully yours,

R. H. Wininger
