

AMENDED CERTIFICATE OF LOCATION

THIS IS TO CERTIFY that the undersigned has amended, located and claimed and by these presents does amend, locate and claim by right of original discovery and location in compliance with the General Mining Laws of May 10, 1982, as amended, and with the laws of the State of Nevada, and with local customs, laws and regulations, 1500 feet along the vein or lode thereof, together with 300 feet on each side of the center of said vein at the surface and all veins, lodes, ledges or deposits and surface ground within the boundary lines of said claim.

With respect to this Amended Certificate of Location, the following facts are presented:

1. The name of the claim is Willie #2
2. The name of the locator is Reland Johnson, whose post office address is P.O. Box 652; Farmington, Utah 84025.
3. The date of this location is 17 December 1978.
4. The number of linear feet claimed in length along the course of the vein from the point of discovery is 750 feet in a North direction and 750 feet in a South direction, together with the 300 feet on each side of the center of the vein or lode for the entire length of the claim. The general course of the lode or vein, as near as may be, is North and South.
5. The location or discovery work consisted of making the mining claim map as provided in Nevada Revised Statutes 517.040, which map was filed on July 24, 1978, as Entry No. 62354, in Book 26, Page 229, in the records of Lincoln County, State of Nevada. This Amended Certificate of Location in no way modifies or changes the aforesaid mining claim map.
6. This claim is located in the NE 1/4 & 14, Township 4 South, Range 56 East, Mt. Diablo Base, in Lincoln County, State of Nevada, and is situated in the Timpiute Mining District. The location monument of said claim is situated approximately N 11°21' E 4633' from the Coyote Peak U.S.M.M. #3. The location monument, corners and sideline centers are each posts at least 4 inches in diameter by 4 1/2 feet in length set 1 foot in the ground. The claim boundaries are more specifically described as follows: beginning at the location monument of the mining claim, thence N 87°00' W 300.00 feet to the center of the end line, point of origin; thence N 87°00' W 300.00 feet to a corner post marked NW CORNER WILLIE #2; thence S 6°00' W 750.00 feet to a side-center post marked WEST SIDE-CENTER WILLIE #2; thence

7. This claim is the same lode or vein originally located by Reland Johnson on July 20, 1978, and is the same claim as that covered by the Certificate of Location filed of record on July 24, 1978, as Entry No. 62353 in Book 26, Page 228, in the records of Lincoln County, Nevada.

8. This Amended Certificate of Location is made for the purpose of appropriating under the mining laws all ground within the boundaries herein defined and of correcting irregularities and formalities, errors or defects, if any, which may have existed or may exist in the original location, or the record thereof, and/or any prior amendment or amendments thereof, and the record of same, and is made without waiver of any rights acquired as to the ground within the boundaries herein defined under or by virtue of said original location and any prior amended location, and to secure all the benefits of the statutes of the State of Nevada. If said hereby amended lode mining claim should be, at any time of this Amendment, ineffective for any reason as to any of the ground within the boundaries herein defined, then as to such ground this Amended Certificate of Location shall be an original certificate:
