SURVEYOR'S STATEMENT

Philip C. Hulse states that he is a Registered Land Surveyor in the State of Nevada; that at the instance of Elgie Thomson he conducted a field survey and prepared this map showing position of existing fence lines with reference to property corners set from a previous survey. The acreages shown hereon are measured and calculated using a base line between existing pins, previously set as shown hereon, and in no way reflect any ties to recent government survey lines or monuments. Said survey was completed on Sept. 9, 1981.
