The following is a copy of provisions (1) to (18) inclusive, of the deed of trust, recorded in such county in Nevada, as stated in the foregoing Bond of Trust and Agreement by reference in said Deed of Trust as being a part thereof or if not both at length therein.

To Protect the Security of This Deed of Trust, Trustor Agrees:

1. To properly care for and keep said property in good condition and repair; not to remove or demolish any building thereon; to complete in a good and workmanlike manner any building which may be constructed thereon, and to pay when due all claims for labor performed and materials furnished thereon, in conformity with all laws, ordinances and regulations requiring any alterations or improvements to be made thereto, not to commit or permit any waste thereof, not to commit arson or commit any act or acts to be done in or upon said property in violation of law, to cultivate, irrigate, fertilize, fumigate, spray and/or do any other act or acts, all in a healthy and proper manner, which from the character or use of said property, may be reasonably necessary, the specific enumerations herein not excluding the general.
2. The Grantor agrees to pay and discharge all rents, fees and expenses of these Trusts, including cost of evidence of title and Trustee's fees in connection with sale, whether completed or not, which amounts shall become due upon delivery to Trustee of Declaration of Default and Demand for sale, as hereinafter provided.
3. The amount collected under any fire insurance policy shall be treated first, to accrued interest, next to expenditures hereunder and any remainder upon the principal, and interest shall thereafter cease upon the amount so credited upon principal, provided, however, that at the option of the Beneficiary, the sum so collected under the policy or any part thereof may be released to the Grantor, without liability upon the Trustee for such release.
4. The Grantor promises and agrees that if, during the existence of the Trust there be commenced or pending any suit or action affecting said mortgaged premises, or any part thereof, or the title thereto, or if any adverse claim for or against said premises, or any part thereof, be made or asserted, he will appear in and defend any such matter pertaining to effect the security and will pay all costs and damages arising because of such action.
5. Any award of damages in connection with any condemnation for public use or of title to any property or any part thereof is hereby assigned and shall be held by Beneficiary, who may apply or release such monies received by him in the same manner and with the same effect as funds provided for disposition of proceeds of insurance.
6. Trustee shall be under no obligation to notify any party hereto of any pending suit hereunder or of action or proceeding of any kind in which Grantor, Beneficiary and/or Trustee shall be named as defendant, unless brought by Trustee.
7. Acceptance by Beneficiary of any sum in payment of any indebtedness secured hereby, after the date when the same is due, shall not constitute a waiver of the right either to require prompt payment, when due, or of other sums so secured or to declare default as herein provided for failure to so pay.
8. Trustee may, at any time, or from time to time, without liability thereto and without notice, upon written request of Beneficiary and presentation of this Deed of Trust and the notes secured hereby, for endorsement, and without affecting the personal liability of any person for payment of the indebtedness secured hereby or the right of execution thereon, or join in any extension agreement or subordination agreement in connection therewith.
9. Upon receipt of written request from Beneficiary reciting that all sums secured hereby have been paid and made current of this Bond and sold 2000000 Trustee for cancellation and retention and upon payment of its fees, the Trustee shall recover without warranty the property then held hereunder. The recital in such conveyance of any matters of fact shall be conclusive proof of the truth thereof. The Grantee in such conveyance may be described in general terms as "The Person or persons legally entitled thereto," and Trustee is authorized to retain this Deed of Trust and note. I.C.G.B.

10. After three months shall have elapsed following recording of any such notice of default, Trustee shall sell said property at such time and at such place in the State of Nevada as the Trustee, in its sole discretion, shall deem best to accomplish the objects of these Trusts, having first given notice of such sale as then required by law. Grantor hereby agrees to surrender, immediately and without demand, possession of said property to such purchaser.
11. Trustee shall apply the proceeds of any such sale to payment of expenses of sale and all charges and expenses of Trustee and of these Trusts, including cost of sale of title and Trustee's fee in connection with sale, all sums expended under the terms hereof, not thus repaid, with accrued interest at the rate of ten per cent (10%) per annum, all other sums so secured hereby, and the remainder, if any, to the person or persons legally entitled thereto.
12. The Beneficiary or assignee may, at any time, by instrument in writing, appoint a successor or successor to the Trustee named herein or acting hereunder, which instrument, executed and acknowledged by beneficiary, and recorded in the Office of the County Recorder of the County or Counties wherein said property is situated, shall be conclusive proof of the proper substitution of such successor or trustee, who shall have all the estate, power, duties and trusts in the premises vested in or conferred on the original Trustee. 13. This Deed of Trust applies to, relates to the benefit of, and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns.
14. Trustee accepts these trusts when this Deed of Trust, duly executed and acknowledged, is made a public record as provided by law.
