(N MC 117695 through N MC 117720)

All of the aforesaid claims are contiguous unpatented lode mining claims, and work on one or any of the group tends to develop all of the claims. The claims are held and claimed by the owner for the valuable mineral contained therein. The work was performed for the purpose of developing, maintaining, and holding the claims.

The work, development, and improvements were performed or made at the direction of or under the supervision of Minerals Management, Inc., P.O. Box 105, Dyer, NV, 89010, in June, 1982. Total expenditure on the project from September 1, 1981, to August 31, 1982, exceeds \$2600. The owner of the claims in whose behalf such expenditure was made for the purpose of holding the claims is Comet Mines, Inc. Such expenditure was borne by Summit Mines in behalf of Comet Mines, Inc., owner, and Combined Metals Reduction Company, Primary Lessee.

The work consisted of bulldozing of blockades, cleaning of road and ore deposit near ore bins and building area, filling in of large washed out area, fixing of gate at main entrance with wire rope, and related work for safety and developmental purposes.

Dated this 15th day of July, 1982.
