6. The Lessor shall furnish to the Postal Service under the terms of this lease, as part of the rental consideration, the following:

Equipment for heating, air conditioning, electrical, lighting, plumbing; separate meters for all utilities, with approved connections thereto; approved connections to public sewer and water systems.

7. The Lessor shall at his expense record this lease in the proper recording office.

8. The Postal Service may sublet all or any part of the premises or assign this lease but shall not be relieved from any obligation under this lease by reason of any such subletting or assignment.

9. The Postal Service shall have the right to make alterations, attach fixtures and erect additions, structures or signs in or upon the premises hereby leased (provided such alterations, additions, structures or signs shall not be detrimental to or inconsistent with the rights granted to other tenants on the property or in the building in which said premises are located); which fixtures, additions or structures so placed in, upon or attached to the said premises shall be and remain the property of the Postal Service and may be removed or otherwise disposed of by the Postal Service. Prior to expiration or termination of this lease the Postal Service shall, if required by the Lessor by notice in writing sixty days in advance of such expiration or termination, restore the premises to as good condition as that existing at the time of entering upon the same under this lease, reasonable and ordinary wear and tear and damages by the elements or by circumstances over which the Postal Service has no control, excepted.

10. (a) This lease may be terminated upon ninety days' notice in writing to the Lessor whenever the Postal Service shall remove the office into a building owned by the Postal Service.

(b) This lease may be terminated upon ninety days' notice in writing to the Lessor whenever, in the judgment of the Postal Service, the growth of the service at the office renders additional room necessary and the Lessor is unable or unwilling to furnish such additional sufficient additional space at an additional rental satisfactory to the Postal Service.

11. (a) The Lessor shall, except as otherwise specified herein and except for damage resulting from the act or negligence of Postal Service agents or employees within the demised premises, including the building and all equipment, fixtures, and apparatuses, whether severable or not, furnished by the Lessor under this lease, in good repair and maintenance condition. He shall repaint the interior (including but not limited to the walls and ceilings) at least once every 5 years (unless the 5-year period is specifically extended in writing by the Contracting Officer) and any other repainting may become necessary as a result of wear and tear. For the purpose of so maintaining said premises and property, the Lessor may, at reasonable times enter and inspect the premises and make any necessary repairs thereto. Additionally, the Lessor shall designate maintenance personnel, for electrical emergencies, for plumbing emergencies, for heating, ventilating and air conditioning emergencies and other emergencies (windows, doors, locks, etc.), who may be called by the Postal Service in the event of an emergency situation involving maintenance of the premises and/or property when the Lessor or his agents cannot be contacted within a reasonable time.

(b) If the premises or any part thereof becomes unfit for use for the purposes for which leased, the Lessor shall put the same in satisfactory condition, as determined by the Postal Service, for the use for which leased.

(c) When the need arises for maintenance or repair or for restoration to a condition suitable for the purpose for which leased, the Postal Service shall (except in emergencies) give the Lessor written notice thereof, specifying a time for completion of the work which is reasonable and commensurate with the nature of the work required. A copy shall be furnished by the Postal Service to the Lessor's mortgagee and assignees of the premises or to become due under this lease, whose names and addresses are to be furnished to the Postal Service by the Lessor. If the Lessor (or the mortgagee or assignee, on behalf of the Lessor) fails to prosecute the work with such diligence as will ensure its completion within the time specified in the written notice for any extension thereof as may be granted at the sole discretion of the Postal Service) or fails to complete the work within the time specified, the Postal Service shall have the right to perform the work, to contract or otherwise, and withhold the cost thereof from payments due to the Lessor due under this lease, or, at the sole discretion of the Postal Service in the case of work required pursuant to paragraph (b), cancel the lease. In addition, for any period the premises, or any part thereof, is unusable for the purpose for which leased, the rent shall be abated in proportion to the area determined by the Postal Service to have been rendered unusable to the Postal Service by reason of such condition. Unfitness for use does not include unsuitability arising from such causes as the size or location of the building or other portion of the leased premises.

12. No member of or Delegate to Congress or Resident Commissioner shall be admitted to any share or part of this lease or to any benefit to arise therefrom. Nothing, however, herein contained shall be construed to extend to any incorporated company, if the lease before the general benefit of such corporation or company.

13. (The following clause is applicable when the leased space is in a building occupied by tenants or concessionaires in addition to the Postal Service and if the total rental under this lease exceeds \$10,000 per year, or, at the sole election of the Postal Service, if the total rental under this lease combined with the total rental under all other Federal Government leases of spaces in the building which the space covered by this lease is located exceeds \$10,000 per year.)

(a) As used in this clause, the term "facility" means stores, shops, restaurants, canteens, restrooms, and any other facility of a public nature in the building in which the space covered by this lease is located.

(b) The Lessor agrees that he will not discriminate by segregation or otherwise against any person or persons because of race, color, religion, sex or national origin in furnishing, or by refusing to furnish to, such person or persons the use of any facility, including any and all services, privileges, accommodations, and activities provided thereby.

(c) It is agreed that the Lessor's noncompliance with the provisions of this clause shall constitute a material breach of this lease. In the event of such noncompliance, the Postal Service may take appropriate action to enforce compliance, may terminate this lease, or may pursue such other remedies as may be provided by law. In the event of termination, the Lessor shall be liable for all excess costs incurred by the Postal Service in acquiring substitute space, including but not limited to the cost of moving to such space.

(d) The Lessor agrees to include or to require the inclusion of, the foregoing provisions of this clause (with the terms "Lessor" and "lease" appropriately modified) in every agreement or concession pursuant to which any person other than the Lessor operates or has the right to operate any facility. The Lessor also agrees that it will take such action with respect to any such agreement as the Postal Service may direct as a means of enforcing this clause, including but not limited to termination of the agreement or concession.

14. (The following is applicable if this agreement covers premises of net interior space in excess of 6,500 square feet.)

(a) All mechanics and laborers employed in construction, modification, alteration, repair, painting, decoration, or other improvement of the building or space covered by this agreement, or improvement at the site of the building or facility covered by the agreement (other than maintenance work necessary to keep the building or space in such condition that it may be continuously used at an established capacity and efficiency for its intended purpose), shall be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by the Copeland Regulations (29 CFR Part 30)), the full amount due at time of payment computed at wage rates not less than the aggregate of the basic hourly rates and the rate of payments, contributions, or costs for any fringe benefits contained in the wage determination decision of the Secretary of Labor which is attached for any fringe benefits contained in the wage determination decision of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between the Lessor or subcontractor and such laborers and mechanics. A copy of such wage determination decision shall be kept posted by the Lessor at the site of the work in a prominent place where it can be easily seen by the workers.

(b) The Lessor may discharge his obligation under this clause to workers in any classification for which the wage determination decision contains:

(1) Only a basic hourly rate of pay, by making payment at not less than such basic hourly rate, except as otherwise provided in the Capeland Regulations (29 CFR Part 3); or

(2) Both a basic hourly rate of pay and fringe benefits payments, by making payment in cash, by irrevocably making contributions pursuant to a fund, plan, or program for, and/or by assuming an enforceable commitment to bear the cost of, bona fide fringe benefits contemplated by 40 U.S.C. 278a, or by any combination thereof. Contributions made, or costs assumed, on other than a weekly basis shall be considered as having been constructively made or assumed during a weekly period to the extent that they apply to such period. Where a fringe benefit is expressed in a wage determination in any manner other than as an hourly rate and the Lessor pays a cash equivalent or provides an alternative fringe benefit, he shall furnish information with his payrolls showing how he determined that the cost involved to make the cash payment or to provide the alternative fringe benefit is equal to the cost of the wage determination fringe benefit. In any case where the Lessor provides a fringe benefit different from any contained in the wage determination, he shall similarly show how he arrived at the hourly rate shown therefor. In the event of disagreement between or among the interested parties as to an equivalent of any fringe benefit, the Contracting Officer shall submit the question, together with his recommendation to the Secretary of Labor for final determination.

(c) The assumption of an enforceable commitment to bear the cost of fringe benefits, or the provision of any fringe benefits not expressly listed in section (b) (2) of 40 U.S.C. 278a or in the wage determination decision forming a part of the contract, may be substituted as payment of wages only with the approval of the Secretary of Labor pursuant to a written request by the Lessor. The Secretary of Labor may require the Lessor to set aside assets, in a separate account, to meet his obligations under any unfunded plan or program.

(d) The Contracting Officer shall require that any class of laborers or mechanics which is not listed in the wage determination decision and which is to be employed under the contract shall be classified or reclassified conformably to the wage determination decision, and shall report the action taken to the Secretary of Labor. If the interested parties cannot agree on the proper classification or reclassification of a particular class of laborers or mechanics to be used, the Contracting Officer shall submit the question, together with his recommendation, to the Secretary of Labor for final determination.

(e) Apprentices shall be permitted to work as such only when they are registered, individually, under a bona fide apprenticeship program registered with a State apprenticeship agency which is recognized by the Bureau of Apprenticeship and Training, United States Department of Labor; or, if no such recognized agency exists in a State, under a program registered with the aforesaid Bureau of Apprenticeship and Training. The allowable ratio of apprentices to journeymen in any craft classification shall be not greater than the ratio permitted to the Lessor as to his entire work force under the registered program. Any employee listed on a payroll at an apprentice wage rate, who is not registered as above, shall be paid the wage rate determined by the Secretary of Labor for the classification of work he actually performed. The Lessor shall furnish written evidence of the registration of his program and apprentices as well as of the ratios allowed and the wage rates required to be paid thereunder for the area of construction, prior to using any apprentices in the work.

(f) The Lessor shall maintain payrolls and basic records relating thereto during the course of the work and shall preserve them for a period of three years thereafter for all laborers and mechanics employed in the work covered by this clause. Such records shall contain the name and address of each such employee, his correct classification, rate of pay (including taxes of contributions for, or costs assumed to provide, fringe benefits), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Lessor has obtained approval from the Secretary of Labor as provided in paragraph (c) of this clause, he shall maintain records which show the commitment, its approval, written communication of the plan or program to the laborers or mechanics affected, and the costs anticipated or incurred under the plan or program.

(g) The Lessor shall submit weekly a copy of all payrolls to the Contracting Officer. The Lessor shall be responsible for the submission of copies of payrolls of all subcontractors. The copy shall be accompanied by a statement signed by the Lessor indicating that the payrolls are correct and complete, that the wage rates contained therein are not less than those determined by the Secretary of Labor, and that the classifications set forth for each laborer or mechanic conform with the work he performed. Submission of the "Weekly Statement of Compliance" required under this Agreement shall satisfy the requirement for submission of the above statement. The Lessor shall submit also a copy of any approval by the Secretary of Labor with respect to fringe benefits which is required by paragraph (c) of this clause.

(h) The Lessor shall make the records required under this clause available for inspection by authorized representatives of the Contracting Officer and the Department of Labor, and shall permit such representative to interview employees during working hours on the job.

(i) The Lessor shall comply with the Capeland Regulations of the Secretary of Labor (29 CFR Part 3) which are incorporated herein by reference.

(j) The Contracting Officer may withhold or cause to be withheld from the Lessor so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics employed by the Lessor or any subcontractor who work the full amount of wages required by the contract.

(k) If the Lessor or any subcontractor fails to pay any laborer or mechanic employed or working on the site of the work, all or part of the wages required by the contract, the Contracting Officer may, after written notice to the Lessor, take such action as may be necessary to cause suspension of any further payments or advances until such violations have ceased.

15. Overtime

(a) The Lessor shall not require or permit any laborer or mechanic in any workweek in which he is employed on any work under this Agreement to work in excess of 8 hours in any calendar day or in excess of 40 hours in such workweek on work subject to the provisions of the Contract Work Hours and Safety Standards Act (40 U.S.C. 327-333) unless such laborer or mechanic receives compensation at a rate not less than one and one-half times his basic rate of pay for all such hours worked in excess of 8 hours in any calendar day or in excess of 40 hours in such workweek, whichever is the greater number of overtime hours. The "basic rate of pay", as used in this clause, shall be the amount paid per hour, exclusive of the Lessor's contribution or cost for fringe benefits and any cash payment made in lieu of providing fringe benefits, or the basic hourly rate contained in the wage determination (if applicable), whichever is greater.

(b) In the event of any violation of the provisions of paragraph (a), the Lessor shall be liable to any affected employee for any amounts due, and to the Postal Service for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic employed in violation of the provisions of paragraph (a) in the sum of \$10 for each calendar day on which such employee was required or permitted to be employed on such work in excess of 8 hours or in excess of the standard workweek of 40 hours without payment of the overtime wages required by paragraph (a).

(c) The Contracting Officer may withhold from the Lessor, from any moneys payable under the lease, such sums as may administratively be determined to be necessary to satisfy any liabilities of the Lessor for unpaid wages and liquidated damages.

16. Health and Safety Standards

(a) To the extent this agreement is for construction, alteration, and/or repair, including painting and decorating, the Lessor shall not require any laborer or mechanic employed at its performance to work under conditions which are unsanitary, hazardous, or dangerous to his health or safety as determined under standards promulgated by the Secretary of Labor under the authority of 40 U.S.C. 333 (see 29 CFR Part 1518).

(b) In the event it is determined that the Lessor has failed to comply with this provision regarding health and safety standards, the Postal Service, in its discretion, may cancel this agreement, contract for the balance of the work or term, and charge to the Lessor the additional cost, if any, incurred thereby.

17. Subcontract Provisions

The Lessor agrees to insert Clauses 14, 15, 16 and 17 of this Agreement in all subcontracts hereunder and to require their inclusion in all subcontracts of lower tier. The term "Lessor" as used in these clauses in any subcontract shall be deemed to refer to the subcontractor.

18. Assignment of Claims

(a) If this agreement provides for payments aggregating \$1,000 or more, claims for moneys due or to become due the Lessor from the Postal Service under this Lease may be assigned to a bank, trust company, or other financing institution, including any Federal lending agency, and may thereafter be further assigned and reassigned to any such institution. Any such assignment or reassignment shall cover all amounts payable under this Lease and not already paid, and shall not be made to more than one party except that any such assignment or reassignment may be made to one party as agent or trustee for two or more parties participating in such financing. No assignment or reassignment will be recognized as valid and binding upon the Postal Service unless a written notice of the assignment or reassignment, together with a true copy of the instrument of assignment, is filed with (i) the Contracting Officer, (ii) the surety or sureties upon the bond or bonds, if any, in connection with this lease; and (iii) the disbursing officer, if any, designated in this lease to make payment, and the Contracting Officer has acknowledged the assignment in writing.

(b) Assignment of this lease or any interest in this lease other than in accordance with the provisions of this clause shall be grounds for annulment of the lease at the option of the Postal Service.

19. If the premises are mortgaged prior to or during the term of this lease, including any renewal option period, the Lessor shall so inform the Contracting Officer and shall, upon request, furnish a mortgage subordination agreement on PS Form 2480.

- Paragraph 23, Maintenance Clause

Paragraph 23

MAINTENANCE RIDER

Obligations of the Postal Service

The Postal Service shall keep the demised premises in good repair and tenantable condition, except that the Postal Service will not be obligated to make any repairs which are the responsibility of the lessor as specified in Paragraph 2 of this rider. The term "demised premises" as used in this paragraph includes the improvements thereon and the appurtenances thereto, and any and all equipment and fixtures furnished or to be furnished by the lessor under this lease. The Postal Service's responsibilities as stated herein shall be fulfilled at such time and in such manner as the Postal Service considers necessary to keep the demised premises, equipment, fixtures, improvements and appurtenances in proper condition.

Obligations of the Lessor

The lessor will be responsible for all structural repairs to the demised premises; for repairs resulting from Acts of God, or acts of the public enemy; for repairs to all common or joint use areas that may be included as part of this lease agreement; for repairs resulting from defects in building construction or installation of equipment, fixtures and appurtenances furnished by the lessor; for repairs resulting from fire or other casualty or calamity, unless such damage arises from the act or the negligence of the Postal Service's agents or employees; and for any repairs in postal maintained areas made necessary by any failure of a facility element for which the lessor is responsible. Structural repairs as used in this paragraph shall be limited to the foundation, bearing walls, floors, excluding the floor covering, column supports, and the roof system, including but not limited to roof covering, flashing, and insulating.

When the need arises for repairs which are the lessor's responsibility, the Postal Service shall (except in emergencies) give the lessor written notice thereof, specifying a time limit for completion of the work which is reasonable and commensurate with the nature of the work required. When the need arises for maintenance or repair or for restoration to a condition suitable for the purpose for which leased, the Postal Service shall (except in emergencies) give the lessor written notice thereof, specifying a time for completion of the work which is reasonable and commensurate with the nature of the work required. A copy shall be furnished by certified or registered mail to the Lessor's mortgagee and assignee of the monies due or to become due under this lease, whose names and addresses have been furnished to the Postal Service by the Lessor. If the Lessor (or the mortgagee or the assignee, on behalf of the Lessor) fails to prosecute the work with such diligence as will ensure its completion within the time specified in the written notice (or any extension thereof as may be granted at the sole discretion of the Postal Service) or fails to complete the work within said time, the Postal Service shall have the right to perform the work, by contract or otherwise, and withhold the cost thereof from payments due or to become due under this lease, or, at the sole discretion of the Postal Service, cancel the lease. In addition, for any period the premises, or any part thereof, are unfit for the purposes for which leased, the rent shall be abated in proportion to the area determined by the Postal Service to have been rendered unavailable to the Postal Service by reason of such condition.

Paragraph 24

TAXES RIDER

1. Upon demand by the lessor, the Postal Service shall reimburse the lessor for all general real estate taxes paid after the effective date of this rider. The lessor shall submit with his claim for reimbursement satisfactory proof of payment and correctness of the tax bill. General real estate taxes are taxes which are assessed on an ad valorem basis, against all taxable real property in the taxing authority's jurisdiction without regard to benefit to the property, for the purpose of funding general governmental services. Presentation of tax bills shall be made to the office shown in paragraph 3 of this rider. The lessor shall pay the general real estate taxes covered here before any fine, penalty, interest or cost may be added thereto for the non-payment thereof and at such time and manner and amount as to obtain any discount allowed by the taxing authority. If the lessor fails to do so, the Postal Service shall only reimburse the lessor for the amount that would have been paid had the lessor done so. The lessor shall pay all assessments and fees of every kind and nature other than general real estate taxes without reimbursement by the Postal Service.
2. If a part of said general real estate taxes applies to any period prior to the commencement of this amendment or subsequent to the expiration of the term of this lease and the remainder of the general real estate taxes applies to the period of time within the term of this amendment and this lease, the Postal Service shall be liable to reimburse the lessor in the aforesaid manner for only that portion of said taxes applying to the period of time within the term of the amendment and the lease.
3. The lessor shall furnish the Postal Service copies of all notices which may affect the valuation of said land and buildings for general real estate tax purposes or which may affect the levy or assessment of general real estate taxes thereon. Such notices shall be delivered or mailed within three days from the receipt thereof by the lessor to:

Manager, Real Estate & Buildings

Department, Los Angeles Field Office, Inglewood, CA 90311

or to such other office as the Postal Service may later in writing direct. The lessor shall cause payment of said general real estate taxes to be made under protest

Paragraph 24 (continued)

when requested to do so by the Postal Service. The Postal Service may contest the amount of validity of any valuation for general real estate tax purposes or of any levy or assessment of any general real estate taxes by appropriate legal proceedings either in the name of the Postal Service or the name of the lessor or in the names of both. The lessor, upon reasonable notice and request by the Postal Service, shall join in any such proceedings, but the lessor shall not be subject to any liability for the payment of penalties, costs or expenses in connection with any proceedings brought by the Postal Service, and the Postal Service hereby covenants to indemnify and save harmless the lessor from any such penalties, costs, or expenses. The lessor shall cooperate with the Postal Service in any such proceeding and execute any documents or pleadings required for such purpose provided the lessor shall be reasonably satisfied that the facts and data set forth in such documents or pleadings are accurate.

It is expressly understood between the parties hereto that the terms and conditions of the Agreement to Lease executed by Mike Janssen and accepted by the Postal Service on November 2, 19 81, including any amendments or modifications hereto, are made part of this lease and are to be complied with as though fully set forth herein, except that the Claims and Disputes clause shall not be applicable to any of the Lessor's or Lessee's obligations under any of the provisions.
