DENISON MINES (U. S.) INCORPORATED

September 23, 1982

(d) The mining law, 30 U.S.C. § 28, does not require the performance of assessment work in the assessment year within which a mining claim is located. The Claims were located between noon September 1, 1981, and midnight December 31, 1981. Therefore, no assessment work was required to be performed for the assessment year ending at noon on September 1, 1982, and no evidence of annual assessment work is or was required to be filed for said assessment year.

(e) The date on which a copy of this Notice of Intention to Hold the Claims was filed for record in the office of the local jurisdiction of the State of Nevada where the Claims are located and recorded, will appear in the certificate of recording affixed hereto, which date is by this reference incorporated in this paragraph (e).
