The following are the trusts and agreements referred to and incorporated by reference in the foregoing deed of trust:

- To properly care for and keep said property in good condition and repair; not to remove or demolish any building thereon; to complete in a good and workable manner any building which may be constructed thereon; and to pay when due all taxes for labor performed and materials furnished thereon; to comply with all laws, ordinances and regulations requiring any alterations or improvements to be made thereon; not to commit or permit any waste thereof; not to commit, suffer or permit any act to be done in or upon said property in violation of law; to cultivate, irrigate, fertilize, fumigate, prune and/or do any other act or act, all as a tenant and proper owner, which from the character or use of said property, may be reasonably necessary; the specific amendments herein are excluding the general.
- The Grantor agrees to pay and discharge all cost, fees and expenses of these Trusts, including cost of avoidance of liens and Trustee's fees in connection with sale, whether completed or not, which amounts shall become due upon delivery to Trustee of Declaration of Default and Demand for Sale, as hereinafter provided.
- The amount collected under any fire insurance policy shall be credited first, to accrued interest, next to expenditures hereunder; and any remainder upon the principal, and interest shall thereupon cross upon the amount so credited upon principal, provided, however, that at the option of the Beneficiary, the same amount collected under the policies or any part thereof may be released to the Grantor, without liability upon the Trustee for such release.
- The Trustor promises and agrees that if, during the existence of the Trust there be commenced or pending any suit or action affecting said conveyed premises, or any part thereof, or the title thereon, or if any adverse claim for or against said premises, or any part thereof, be made or asserted, he will appear in and defend any such matter pertaining to effect the security and will pay all costs and damages owing because of such action.
- Any award of damages in connection with any condemnation for public use of or injury to any property or any part thereof is hereby assigned and shall be paid to Beneficiary, who may apply or release such moneys received by him in the same manner and with the same effect as herein provided for disposition of proceeds of insurance.
- Trustee shall be under no obligation to satisfy any party having any pending suit hereunder or of action or proceeding of any kind in which Grantor, Beneficiary and/or Trustee shall be named as defendant, unless brought by Trustee.
- Beneficiary or Beneficiary of any note in payment of any indebtedness secured hereby, after the date when the same is due, shall not constitute a holder of the right either to receive payment, when due, of all other sums so secured or to declare default as herein provided for failure to pay.
- Trustee may, at any time, or from time to time, without liability hereunder and without notice, upon written request of Beneficiary and presentation of this Deed of Trust and the notes secured hereby for production, and without affecting the personal liability of any person for payment of the indebtedness secured hereby or the effect of this Deed of Trust upon the remainder of said property, recover any part of said property, consist in writing to the making of any step or steps thereof, and in granting any extension thereon, or join in any extension agreement or substitution agreement in connection herewith.
- Upon receipt of written release from Beneficiary reciting that all sums secured hereby have been paid and upon surrender of this Deed and said note to Trustee for cancellation and retention and upon payment of its fees, the Trustee shall recover without warranty the property from held hereunder. The Grantor in such conveyance may be described in general terms as "the person or persons legally entitled thereto," and Trustee is authorized to retain this Deed of Trust and note.
- Should default be made by Grantor in payment of any indebtedness secured hereby and/or in performance of any agreement herein, then Beneficiary may declare all sums secured hereby immediately due by delivery to Trustee of a written declaration of default and demand for sale, and of written notice of default and election to cause said property to be sold (which notice Trustee shall cause to be filed for record) and shall surrender to Trustee this Deed, the notes and all documents evidencing any encumbrances secured hereby.
- After three (3) months shall have elapsed following recording of any such notice of default, Trustee shall sell said property at such time and at such place in the State of Nevada as the Trustee, in its sole discretion, shall deem best to accomplish the objects of these Trusts, having first given notice of such sale as then required by law. Place of sale may be either in the county in which the property to be sold, or any part thereof, is situated, or at an office of the Trustee located in the State of Nevada.
- The Grantor, Plaintiff and Mortgagee of the personal property herein pledged and/or mortgaged waives any and all other demands or notices as conditions precedent to sale of such personalty.
- Trustee may postpone sale of all, or any portion, of said property by public announcement at the time fixed by said notice of sale, and may thereafter postpone and sell from time to time by public announcement at the time previously appointed.
- At the time of sale as fixed Trustee may sell the property so advertised or any part thereof, either as a whole or in separate parcels at its sole discretion, at public auction to the highest bidder for cash in lawful money of the United States, payable at time of sale, and shall deliver to such purchaser a deed conveying the property so sold, but without warranty or warranty, express or implied, Grantor hereby agrees to surrender, immediately and without demand, possession of said property to such purchaser.
- Trustee shall apply the proceeds of any such sale to payment of: expenses of sale and all charges and expenses of Trustee and of these Trusts, including cost of evidence of title and Trustee's fee in connection with sale; all sums expended under the terms hereof, not then repaid, with accrued interest at the rate of ten per cent (10%) per annum; all other sums then secured hereby; and the remainder, if any, to the person or persons legally entitled thereto.
- The Beneficiary or assignee may, at any time, by instrument in writing, appoint a successor or successors to the Trustee named herein or acting hereunder, which instrument, executed and acknowledged by Beneficiary, and recorded in the Office of the County Recorder of the County or Counties wherein said property is situated shall be conclusive proof of the proper substitution of such successor or trustee, who shall have all the same powers, duties and trusts in the premises as vested in or conferred on the original Trustee.
