

Mr. Davis was present and questioned the legality of the bid on the water pump. The District Attorney explained to Mr. Davis that it was perfectly legal to accept one bid for schedule 1 and another bid for schedule 2. Mr. Davis seemed satisfied with the explanation.

PARCEL MAP

Richard Fonger presented a parcel map for Lester Mathews. Mr. Fonger states that the survey is complete and the map is complete but the Planning Commission has some reservations about the map. Dick Duiger advises that the Planning Commission is concerned because it changes a lot of property lines. They feel that all property owners should sign in agreement before the map is approved to alleviate any chance of law suits in the future. All property owners who would be losing have signed except the Juan and Francisco Macobedo families. The Board agrees to approve the map with the conditions that the Excobedo sign the map and the county does not accept the dedication of the road as a county road. Mattinn made by Lenard Smith; seconded by Bob McCrosky.

FIRE BOUNDARY

Due to problems with the 40 foot fire boundary and land boundaries with the Gordon Cole and J.C. Kelley properties, the District Attorney requests further time to study the problem out prior to advisement. Ruby will work with the D.A. on this.
