PROOF OF LABOR ON MINING CLAIMS

AFFIDAVIT

STATE OF NEVADA §

§

COUNTY OF LINCOLN §

The undersigned states: That between September 1 (Noon), 1987 and September 1 (Noon), 1988, the following described work and labor were performed and made upon, or for the benefit of these certain lode Mining Claims, situated in the County of Lincoln, State of Nevada.

Claim Name/Number(s)

Federal Serial Number

Coyote Claims 1-18

227543-227560

Description of Labor:

At least \$1,800.00 worth of labor or improvements consisting of the following were performed during the period of July 27-28, 1988, and August 13, 1988.

A total of 66 rock samples from outcrops were collected by T. W. Troutman, a summer geologist working under the supervision of A. J. Deaderick, a minerals geologist with Billiton Minerals, whose address is 1175 West Moana Land, Suite 200, Reno, Nevada 89509. Mr. Deaderick is a minerals geologist with a degree in geology and years of experience in minerals exploration.

Soil Samples were prepared and analyzed by Chemex Labs, Inc., whose address is 994 West Glendale Avenue, Suite 7, Sparks, NT038823904

Nevada 89431, to determine elemental concentrations of gold and silver. Elemental concentrations were measured by generally accepted techniques, and all analytical procedures were conducted under widely accepted standards. Value of said analytical work is in excess of \$2,397.

Sample locations are shown in Exhibit A.

Said work was performed for the purpose of evaluating the claim block for gold mineralization. The basic finding of this study indicates that elemental concentrations of this mineralization vary greatly over the indicated claims.

Salary expenses for T. W. Troutman, summer geologist, at a cost of \$484.00.

Total value of said work for this claim block is in excess of \$2,881.00.

The above claims are located in Sections 16 through 21, Township 3 North, Range 63 East, Lincoln County, Nevada.

The assessment requirements for 1988 were fulfilled for Coyote Claims 1-18.

<u>Claim Name/Number(s)</u>	<u>Federal Serial Number</u>
Burnt Peak Claims 1-14	231471-231484

Description of Labor:

At least \$1,400.00 worth of labor or improvements consisting of the following were performed during the period of July 29-31, 1988.

A total of 74 rock samples from outcrops were collected by T. W. Troutman, a summer geologist working under the supervision of A. NT038823904

J. Deaderick, a minerals geologist with Billiton Minerals, whose address is 1175 West Moana Land, Suite 200, Reno, Nevada 89509. Mr. Deaderick is a minerals geologist with a degree in geology and years of experience in minerals exploration.

Soil Samples were prepared and analyzed by Chemex Labs, Inc., whose address is 994 West Glendale Avenue, Suite 7, Sparks, Nevada 89431, to determine elemental concentrations of gold and silver. Elemental concentrations were measured by generally accepted techniques, and all analytical procedures were conducted under widely accepted standards. Value of said analytical work is in excess of \$1,628.

Sample locations are shown on Exhibit B.

Said work was performed for the purpose of evaluating the claim block for gold mineralization. The basic finding of this study indicates that elemental concentrations of this mineralization vary greatly over the indicated claims.

Salary expenses for T. W. Troutman, summer geologist, at a cost of \$484.

Total value of said work for this claim block is in excess of \$2,112.

The above claims are located in unsurveyed sections, Township 4 North, Range 63 E, Lincoln County, Nevada.

The assessment requirements for 1988 were fulfilled for the Burnt Peak claims 1-14.

Claim Name/Number(s)Federal Serial Number

Wildcat Claims 1-8

330176-330183

Description of Labor:

At least \$800.00 worth of labor or improvements consisting of the following were performed during the period of August 1, 2, 13, 1988.

A total of 34 rock samples from outcrops were collected by T. W. Troutman, a summer geologist working under the supervision of A. J. Deaderick, a minerals geologist with Billiton Minerals, whose address is 1175 West Moana Land, Suite 200, Reno, Nevada 89509. Mr. Deaderick is a minerals geologist with a degree in geology and years of experience in minerals exploration.

Soil Samples were prepared and analyzed by Chemex Labs, Inc., whose address is 994 West Glendale Avenue, Suite 7, Sparks, Nevada 89431, to determine elemental concentrations of gold and silver. Elemental concentrations were measured by generally accepted techniques, and all analytical procedures were conducted under widely accepted standards. Value of said analytical work is in excess of \$1,149.

Sample locations are shown in Exhibit C.

Said work was performed for the purpose of evaluating the claim block for gold mineralization. The basic finding of this study indicates that elemental concentrations of this mineralization vary greatly over the indicated claims.

Salary expenses for T. W. Troutman, summer geologist, at a cost of \$484.

Total value of said work for this claim block is in excess of \$1,633.

NT038823904

The above claims are located in Sections 27, 28, 33 in Township 2 North, Range 63 East, Lincoln County, Nevada.

The assessment requirements for 1988 were fulfilled for the Wildcat claims #1-18.

Said labor or improvements were made at the request and for benefit of Billiton Minerals U.S.A., Inc., affiant, and Lana Resources (U.S.), Inc., claimant of certain mining claims located in Lincoln County, Nevada.

Billiton Minerals U.S.A., Inc., is entitled to possession of the said claims by virtue of an Exploration and Interest Earning Agreement between Billiton Minerals U.S.A., Inc., and Lana Resources (U.S.), Inc., dated July 12, 1988.

I hereby certify under the penalty of perjury that the foregoing is true and correct.

Sworn and subscribed to this 14th day of October, 1988 at Houston, Texas.

Billiton Minerals, U.S.A., Inc.
