FRANK C. HULSE COUNTY RECORDER

Dear Sir;

The primary purpose of this letter is to inform you, that on or about July 19, 1990, you and members of your family, illegally and without just cause, did capture, restrain and corralled five(5) horses under my command and control.

Said horses are described in your certified letter to me dated July 17,1990. (See Attachment # 1). The allegations which you have stated in your letter are false; furthermore, you have illegally filed and recorded a lein against said horses.(See attachment # 2).

At the time of your seizure of the horses, I did not have any agreement, nor did I consent to or request any service from you.

If you continue to persist in your false claims, I have provided for you information for a plaintiff to file a small claims action in Lincoln county and Meadow Valley township. See attachment #3).

Upon receipt of this letter, you will immediately unlock the corral and release said horses back to me. Thereupon you, members of your family or your representatives will refrain from interfering in any way with said horses. Your failure to do so, will result in the full prosecution of the law against you, members of your family, or your representatives.

Your actions have suggested your implication in a scheme, which you are aware of, involving deceit, fraud, political corruption and theft, all of which are under current investigation by law enforcement officials.(See attachments # 4,5,6)

Said horses will remain on property under my control until this matter is settled in court or as otherwise agreed upon between us. I strongly suggest we settle this matter amiably in the near future.

Thank you for your anticipated quick response to this matter.
