Dear Mr. Eckert:

As per our conversation on April 15th, your request of me, John Santiago to pledge Ten Thousand (10,000) tons of Pioche Ore that is presently under option with Magic Mining, Inc., is hereby granted to be pledged to Century 2000 Corporation, Hildale, Utah.

It is understood that this pledge is to be used for the joint venture with TELENET, Inc., a Nevada Corporation, for the acquisition of computerized telephone devices for specialized telemarketing. This pledge supersedes and amends the latter dated April 16, 1990 (see attachment) assigned to Athens Bonding Company and IFC.

The use of the aforementioned proceeds may not be used for any function that could be deemed as illegal or in violation of any local, state or federal laws, where use of the above mentioned devices is to be deemed prohibited. It is further understood that once TELENET satisfies the Note to Century 2000 Corporation, this pledge shall be returned to Magic Mining, Inc. and John Santiago.

Sincerely,

John Santiago, Sr.
