

TO: Sheriff of Lincoln County, Nevada

Why as a registered voter and a tax payer, do I have to hire and pay for out of my own pocket an attorney to have Jim Toy and Willenea Griffine arrested for knowingly conspiring and transporting registered fire arms, furniture, and other items from my home while I was under eviction, restrained, and as a result, ended up in the hospital.

A recorded copy of this complaint is being hand delivered to the Department of Alcohol, Tobacco and Fire Arms and also to the Nevada Attorney General's Office on January 14, 1992.

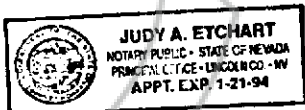

Witnessed this 13th day of January, 1992.
