FOR THE PURPOSE OF SECURING (1) payment of all obligations now or hereafter arising pursuant to or otherwise related or connected to that certain "First Security Home Equity Line Agreement, Note and Disclosure Statement" of even date herewith executed by the Trustor (the "Agreement"), which Agreement evidences a revolving credit line in the maximum principal sum of FORTY-FIVE THOUSAND AND NO/100 Dollars (\$45,000.00) together with interest, costs, and expenses, as therein provided, payable to the order of Beneficiary at the times, and in the manner and with interest as therein set forth, together with any extensions, renewals, modifications, and future advances thereof or thereunder; (2) the performance of each agreement of Trustor herein contained; (3) the payment of all sums expended or advanced by Beneficiary under or pursuant to the terms of this Trust Deed and/or the Agreement, together with interest thereon as provided therein. TO PROTECT THE SECURITY OF THIS TRUST DEED, TRUSTOR AGREES:

1. To keep said property in good condition and repair; not to remove or demolish any building thereon; to complete or restore promptly and in good and workmanlike manner any building which may be constructed, damaged or destroyed thereon; to comply with all laws, covenants and restrictions affecting said property; not to commit or permit waste thereof; not to commit, suffer or permit any act upon said property in violation of law; and to do all other acts which from the character or use of said property may be reasonably necessary, the specific enumerations herein not excluding the general.
2. To provide and maintain insurance, of such type or types and amounts as Beneficiary may require, on the improvements now existing or hereafter erected of placed on said property. Such insurance shall be carried in companies approved by Beneficiary with loss payable clauses acceptable to Beneficiary. In event of loss, Trustor shall give immediate notice to Beneficiary, who may make proof of loss, and each insurance company concerned is hereby authorized and directed to make payment for such loss directly to Beneficiary instead of to Trustor and Beneficiary jointly, and the insurance proceeds, or any part thereof, may be applied by Beneficiary, at its option, to the reduction of the indebtedness hereby secured or to the restoration or repair of the property damaged. In the event of the foreclosure of this Trust Deed or other transfer of title to the granted property in extinguishment, in whole or in part, of the debt secured hereby, all right, title and interest of the Trustor in and to any insurance policy then in force shall pass to the purchaser or grantee.
3. To deliver to, pay for and maintain with Beneficiary until the indebtedness and other obligations secured hereby are paid and performed in full, such evidence of title as Beneficiary may require, including abstracts of title or policies of title insurance any extensions of renewals thereof or supplements thereto.
4. To appear in and defend any action or proceeding purporting to affect the security hereof, the title to said property, or the rights or powers of Beneficiary or Trustee, and should Beneficiary or Trustee elect to also appear in or defend any such action or proceeding, to pay all court costs and expenses, including cost of evidence of title and attorneys' fees in a reasonable sum incurred by Beneficiary or Trustee.
5. To pay, at least ten (10) days before delinquency, all taxes and assessments affecting said property, including all assessments upon water company stock and all rents, assessments and charges for water, appurtenant to or used in connection with said property, if any; to pay, when due, all encumbrances, charges, and liens with interest on said property or any part thereof, which at any time appear to be prior or superior hereto and have not been previously consented to in writing by Beneficiary; and to pay all costs, fees and expenses of this Trust.
6. To pay immediately and without demand all sums expended hereunder by Beneficiary or Trustee with interest from date of expenditure at the rate specified in the Agreement until paid, and the repayment thereof shall be secured hereby.

IT IS MUTUALLY AGREED THAT:

7. Upon Beneficiary's request, Trustor shall pay to Beneficiary on the day monthly installments are payable under the Agreement, a sum (herein "Funds") equal to one-twelfth of the yearly taxes and assessments which may attain priority over this Trust Deed, plus one-twelfth of yearly premium installments for hazard insurance, all as reasonably estimated initially and from time to time by Beneficiary on the basis of assessments, bills and reasonable estimates thereof. The Funds shall be held in an institution the deposits or accounts of which are insured or guaranteed by a Federal or state agency (including Beneficiary). Beneficiary shall apply the Funds to pay said taxes, assessments, and insurance premiums. Beneficiary may not charge for so holding and applying the Funds, analyzing said account or verifying and compiling said assessments and bills, unless Beneficiary pays Trustor interest on the Funds and applicable law permits Beneficiary to make such a charge. Unless applicable law requires interest to be paid, Beneficiary shall not be required to pay Trustor any interest or earnings on the Funds. The Funds are pledged as additional security for the sums secured by this Trust Deed. If the amount of the Funds held by Beneficiary, together with the future monthly installments of Funds payable prior to the due dates of taxes, assessments, and insurance premiums, shall exceed the amount required to pay said taxes, assessments, and insurance premiums as they fall due, such excess shall be, at Beneficiary's option, either promptly repaid to Trustor or credited to Trustor on monthly installments of Funds. If the amount of the Funds held by Beneficiary shall not be sufficient to pay taxes, assessments, and insurance premiums as they fall due, Trustor shall pay to Beneficiary any amount necessary to make up the deficiency within thirty (30) days from the date notice is mailed by Beneficiary to Trustor requesting payment thereof.
8. Should Trustor fail to make any payment or to do any act as herein provided, then Beneficiary or Trustee, but without obligation to do so and without notice to or demand upon Trustor and without releasing Trustor from any obligation thereof, may: make or do the same in such manner and to such extent as either may deem necessary to protect the security hereof, Beneficiary or Trustee being authorized to enter upon said property for such purposes; commence, appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; pay, purchase, contest, or compromise any encumbrance, charge or lien which in the judgement of either appears to be prior or superior hereto and not previously consented to in writing by Beneficiary; and in exercising any such power, incur any liability, expend whatever amounts in their absolute discretion they may deem necessary therefor, including cost of evidence of title, employment of counsel, and payment of reasonable counsel fees.
9. Should said property or any part thereof be taken or damaged by reason of any public improvement or condemnation proceeding, or damaged by fire, or earthquake, or in any other manner, Beneficiary shall be entitled to all compensation, awards, and other payments or relief therefor, and shall be entitled, at its option, to commence, appear in and prosecute in its own name, any action or proceedings, or to make any compromise or settlement, in connection with such taking or damage. All such compensation, awards, damages, rights of action and proceeds, including the proceeds of any policies of fire and other insurance affecting said property, are hereby assigned to Beneficiary, who may, after deducting therefrom all its expenses, including attorney's fees, apply the same on any indebtedness and payments secured hereby. Trustor agrees to execute such further assignments of any compensation, award, damages, and rights of action and proceeds as Beneficiary or Trustee may require.
10. At any time, and from time to time upon written request of Beneficiary, payment of its fees and presentation of this Trust Deed and the Agreement for cancellation and retention, without affecting the liability of any person for the payment of the indebtedness secured hereby, Trustee may (a) consent to the making of any map or plat of said property; (b) join in granting any easement or creating any restriction thereon; (c) join in any subordination or other agreement affecting this Trust Deed or the lien or charge hereof; (d) grant any extension or modification of the terms of the Agreement; (e) reconvey without warranty all or any part of said property; (f) take other or additional security for the payment of the obligations secured hereby. The grantee in any reconveyance may be described as "the person or persons entitled thereto", and the recitals therein of any matters of fact shall be conclusive proof of the truthfulness thereof. Trustor agrees to pay reasonable Trustee's fees for any of the services mentioned Trustee's fees for any of the services mentioned in this paragraph.
11. The collection of the proceeds of fire and other insurance policies, or compensation or awards for any taking or damage of said property and the application or release thereof as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.
12. Failure on the part of Beneficiary to promptly enforce any right hereunder shall not operate as a waiver of such right and the waiver by Beneficiary of any default or acceptance of payment of any sum secured hereby after its due date shall not constitute a waiver of any other subsequent default.
13. Time is of the essence hereof. Upon default by Trustor in the payment of any indebtedness secured hereby or in the performance of any agreement hereunder or pursuant to the Agreement or in the event a receiver or a trustee is appointed for Trustor or Trustor's property, or Trustor makes an assignment for benefit of creditors, or Trustor becomes insolvent, or a petition is filed by or against Trustor in bankruptcy or pursuant to any law for the relief of debtors, all sums secured hereby shall immediately become due and payable at the option of Beneficiary. In the event of such default, Beneficiary may execute or cause Trustee to execute a written notice of default and of election to cause said property to be sold to satisfy all obligations secured hereby and Trustee shall file such notice for record in each county wherein said property or some part or parcel thereof is situated.

Lincoln County

14. After any lapse of such time as may then be required by law following the recordation of said notice of default, and notice of default and notice of sale having been given as then required by law, Trustee, without demand on Trustor, shall sell said property on the date and at the time and place designated in said notice of sale, either as a whole or in separate parcels, and in such order as it may determine (but subject to any statutory right of Trustor to direct the order in which such property, if consisting of several known lots or parcels, shall be sold), at public auction to the highest bidder, the purchase price payable in lawful money of the United States at the time of sale. The person conducting the sale may, for any cause he deems expedient, postpone the sale from time to time as allowed by law. Trustee shall execute and deliver to the purchaser its Deed conveying said property so sold, but without any covenant or warranty, expressed or implied. The recitals in the Deed of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person, including Beneficiary, may bid at the sale. Trustee shall apply the proceeds of the sale to payment of (1) the costs and expenses of exercising the power of sale and of the sale, including the payment of the Trustee's and attorney's fees; (2) cost of any evidence of title procured in connection with such sale; (3) all sums expended under the terms hereof, not then repaid, with accrued interest at the interest rate provided in the Agreement from date of expenditure; (4) all other sums then secured hereby; and (5) the remainder, if any, to the person or persons legally entitled thereto, or the Trustee, in its discretion, may deposit the balance of such proceeds with the County Clerk of the county in which the sale took place.
15. Trustor agrees to surrender possession of the hereinabove described Trust property to the Purchaser at the aforesaid sale, immediately after such sale, in the event such possession has not previously been surrendered by Trustor.
16. Upon the occurrence of any default hereunder or under the provisions of the Agreement, Beneficiary shall have the option to declare all sums secured hereby immediately due and payable and foreclose this Trust Deed in the manner provided by law for the foreclosure of mortgages on real property and Beneficiary shall be entitled to recover in such proceedings all costs and expenses incident thereto, including a reasonable attorney's fee in such amount as shall be fixed by the court.
17. Beneficiary may appoint a successor trustee at any time by filing for record in the office of the County Recorder of each county in which said property or some part thereof is situated, a substitution of trustee. From the time the substitution is filed for record, the new trustee shall succeed to all the powers, duties, authority and title of the trustee named herein or of any successor trustee. Each such substitution shall be executed and acknowledged, and notice thereof shall be given and proof thereof made, in the manner provided by law.
18. This Trust Deed shall apply to, inure to the benefit of, and bind all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and permitted assigns. All obligations of Trustor hereunder are joint and several. The term "Beneficiary" shall mean the owner and holder, including any pledgee, of the Agreement. In this Trust Deed, whenever the context so requires, the masculine gender includes the feminine and/or neuter, and the singular number includes the plural.
19. Trustee accepts this Trust when this Trust Deed, duly executed and acknowledged, is made a public record as provided by law. Trustee is not obligated to notify any party hereto of pending sale under any other Trust Deed or of any action or proceeding in which Trustor, Beneficiary, or Trustee shall be a party, unless brought by Trustee.
20. This Trust Deed shall be construed according to the laws of the State of Nevada.
21. Notwithstanding any provision herein or in the Agreement, the total liability for payments in the nature of interest shall not exceed the limits now imposed by the applicable laws of the State of Nevada.
22. If any provision hereof should be held unenforceable or void, then such provision shall be deemed separable from the remaining provisions and shall in no way affect the validity of this Trust Deed.
23. The undersigned Trustor requests that a copy of any notice of default and of any notice of sale hereunder be mailed to him at the address hereinbefore set forth.
24. If all or any part of the property or any interest in it is sold or transferred (or if a beneficial interest in Trustor is sold or transferred and Trustor is not a natural person), the Beneficiary shall require immediate payment in full or all amounts owed under the Agreement and this Trust Deed.
25. This trust deed secures payment of the indebtedness described above, including future advances, and is governed in part by NRS 106.300 to 106.400 (inclusive) and therefore secures future advances made by the beneficiary. The maximum amount of advances secured by this trust deed is the amount stated in subparagraph (1) which maximum amount may be increased or decreased from time to time by amendment of the agreement.
