STATEMENT OF CAUSE

22. The State Marriage License is issued, and administered by a statutory subdivision of the State of Utah through statute or code, subsequent to our submission by uninformed implied or direct consent; and,
23. The Marriage License is a creature of said statute or code and not an instrument of Common Law, and the Laws of God; and,
24. The Constitution for the united States of America prohibits the States from interfering in the obligation of contracts; and,
25. The State Marriage License places the State in a third party relationship to our marriage, outside the normal limitations placed on the State by the Constitution for the united States of America and the State of issue, a matter of which we were not informed; and,
26. The Marriage License is deployed for the State and the United States to acquire a grant of authority from those entering a marital contract, to exercise legislative jurisdiction over the product of the marriage (children), through the subdivisions of the State and United States concerned with health, welfare and education, by uninformed implied and direct consent (submission), obtained from affiants, which subjects our parental authority to otherwise de facto law, to violate God's ordinances and statutes and the Organic Law for the united States of America; which license was deployed specifically to remove our inalienable right to train and instruct our children in the Christian view which established the de jure jurisdiction guaranteed in the Constitution for the united States of America (1787) and The Declaration of Independence (1776); and,
27. The aforesaid marriage license represents only uninformed implied and direct consent, obtained by agency (power of attorney), to a third party (corporate State) interest, and is enforced through de facto jurisdiction(s) under the de facto authority of the State, given power by said submission; and,
28. Only by our informed consent can the government de facto exercise authority over us, which otherwise is outside the Constitution for the State of California and the Constitution for the united States of America (1787) and a violation of our rights as ordained in The Declaration of Independence (1776); and,
29. All power (right) lies within us, pursuant to the Statute of 1776, restated in the Preamble, as ones of "the posterity" of the Preamble to the Constitution for the united States of America (1787), which right is protected by the 9th Article of the Bill of Rights (1791), and Article I section 10 and Article IV section 4 of the Constitution for the united States of America (1787) and the constitutions for the original several States, when attempts are made to make such statutory code provisions pertain to us;
30. We were deceived into believing we were required, or could be required, to apply for and obtain a marriage license in order to exercise our basic marital rights of Life, Liberty, and the Pursuit of Happiness; and,
31. The application for marriage license contains no warning of its implications or conditions, nor does it set forth where its implications or conditions might be discovered; and,

RESCISSION FOR CAUSE

32. WHEREFORE, let it be known, that We, Bernd Holler and Elisabeth Hatch, Free White Natural American Citizens, Co-Heirs; in fact, having been duped, deceived and misled by State Licensed preachers, and/or de facto government officer(s) to give the aforementioned uninformed consent(s), implied or direct (i.e., submission), do hereby RESCIND and CANCEL the application and license for marriage, known as 81349, and all implied or direct consent that may be derived therefrom, for cause as previously stated; of the past, this day and for all time, so help us God; and,

33. WHEREFORE, formal notice is also given that we hereby repudiate all statutory benefits of the aforesaid marriage license scheme; that we absolutely will not use the license established thereunder or identifying numbers or other identifiers which represent said license except to repudiate same; and, that we will not apply for, exercise, receive, or collect, or attempt to apply for, exercise, receive, or collect any benefits established by statute through said marriage license scheme, whatsoever; and, that we, never having lawfully applied for said marriage license, as aforesaid, will treat same as fully and completely non-existent the same as if we had never applied therefore or issued same; and,

INTENT

34. Our intent is to be Free, Lawful, Natural American Citizens and Co-Heirs to the Organic Law as stated in The Declaration of Independence (1776) and as restated in the Preamble to the Constitution for the united States of America (1787), which we are both in fact by said Organic Law; to claim our God given Rights declared by the Statute of 1776, and the limitations on government set out in the original Constitution for the united States of America (1787) and its Bill of [Limitations] Rights (1791); and to reestablish ourselves as American Citizens (de jure), pursuant to our rights as a Co-Heirs to the Statute of 1776 and the Organic Law, to the end of preserving the Christian Republic of the united States of America as formed, and limited, by the Constitution for the united States of America (1787), and further limited by the Bill of Rights (1791); and,

35. FURTHER, This notice is not to be construed to be made for the purpose of divorce by anyone for any cause but, rather, this notice is made to expel the State's unlawful third party interest in our marriage, said interest being obtained by misrepresentation and lack of full disclosure to cause our submission without informed consent; and to return our agreement, to act as husband and wife, to the Laws of God as established by the Holy Bible and the Common Law pursuant thereto; and,

NOTICE TO TRESPASSERS

36. This is notice to all who would subject us to a deprivation of our rights and corresponding responsibility as husband and wife, and to parentage, as American Citizens pursuant to the Statute of 1776 (The Declaration of Independence). All claimants have 30 days from the date of this "Notice by Affidavit" to make any claims such claimants may wish to assert in a Court of organic Article III judicial authority; failure to do so is an admission of estoppel and laches upon all comers. Any further deprivation of our vested rights as an American Citizens by any governmental agent(s) or agency(ies) will be, by its taking place, a declaration of Mixed War between codified statutory law and common law, waged against us, by whatever person or entity who might commit such trespass, and will be remedied by whatever action is necessary and lawful taking into account the moral gravity of the deprivations in the particular instance; and,

37. The statements and information contained herein are true and correct to the best of our knowledge; are set forth for cause; and our signatures and seals hereafter are the voluntary acts of our own hands; and,

FURTHER AFFIANTS SAITH NOT.
