MAP NOTE:

Original "iron pins" were found on opposite corners of this parcel. The missing pin on the NW corner was located using the Compass Rule calculation. The missing corner on the opposite corner is located on the section line and due south of the found NE corner. It is noted that there are no existing roads or easements into this area, however, there are a number of former wagon roads and trails from the days of the mining industry but now overgrown with trees and brush.
