GRANTING CLAUSES

All of the premises, property, franchises and rights of every kind and description, real, personal and mixed, tangible and intangible, now owned or hereafter acquired by the Company and wherever situate.

Together with all and singular the tenements, hereditament and appurtenances belonging or in anywise appertaining to the aforesaid property or any part thereof, with the reversion and reversions, remainder and remainders, tolls, rents, revenues, issues, income, products and profits thereof and all the estate, right, title, interest and claim whatsoever at law as well as in equity, which the Company now has or may hereafter acquire in and to the aforesaid property and franchises and every part and parcel thereof.

Excepting and excluding, however, any and all property, premises and rights of the kinds or classes which by the terms of the Indenture are excepted and excluded from the lien and operation thereof, and therein sometimes referred to as "Excepted Property" (subject, however, to the Trustee's rights to possession of Excepted Property in case of default, as set forth under "Excepted Property" in the Original Indenture).

TO HAVE AND TO HOLD in trust with power of sale for the equal and proportionate benefit and security of all holders of all Bonds and the interest coupons appertaining thereto, now

or hereafter issued under the Indenture, and for the enforcement and payment of Bonds and interest thereon when payable, and the performance of and compliance with the covenants and conditions of the Indenture, without any preference, distinction or priority as to lien or otherwise of any Bonds or coupons over any others thereof by reason of the difference in the time of the actual issue, sale or negotiation thereof, or by reason of the date of maturity thereof, or for any other reason whatsoever, except as otherwise expressly provided in the Indenture, so that each and every Bond shall have the same lien and so that the interest and principal of every Bond shall, subject to the terms thereof, be equally and proportionately secured by said lien, as if such Bond had been made, executed, delivered, sold and negotiated simultaneously with the execution and delivery of the Original Indenture.

The Trustee executes this Twenty-Ninth Supplemental Indenture only on the condition that it shall have and enjoy with respect thereto all of the rights, privileges and immunities as set forth in the Indenture.

The Company has agreed and covenanted and does hereby agree and covenant with the Trustee and its successors and assigns, and with the respective holders from time to time of the Bonds, or any thereof, as follows:
