The work consisted of mining and shipping building stone, and road maintenance for the benefit of the above claim. The maintenance fee of Seven Hundred Fifty and 00/100 Dollars (\$750.00) has been paid to the U. S. Department of the Interior, Bureau of Land Management for the 2004 -2005 assessment period.

The work was completed on the eastern portion of Feller #1 in the SE1/4 of the SE1/4 of Section 24. The road maintenance was made on the access road to the mine and claim group. Work was for the benefit of the above listed contiguous group of mining claims.

Said work was performed between September 2003 and September 2004. A total of more than Seven Hundred Fifty and 00/100 dollars (\$750.00) was expended in performing the work, or equivalent value added. The work was performed by: Feller Stone, Inc.

AFFIDAVIT OF ANNUAL ASSESSMENT WORK

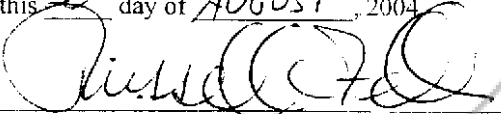

- Page 2 -

The findings of the above work are as follows: The quarry was left in acceptable order and there is minimal if any extra disturbance made.

The work was performed under the direction of Feller Stone, Inc whose qualifications to supervise such work include the following experience and education: Twenty Three (23) years in the rock and quarry business.

All of the aforesaid unpatented mining claims are contiguous and work on, or for the benefit of, any one claim or group of claims tends to develop all the claims. The work was performed for the purpose of developing the mineral potential of the claims and to maintain and hold such claims.
