CERTIFICATE OF AMENDMENT

To Barry Bruland, PLS, Lincoln County Surveyor

In accordance with provisions of NRS 278.473, it is requested that the Parcel Map Merger, Plat Book C, Page 83 of Lincoln County, Nevada Records be amended as explained and in the following manner:

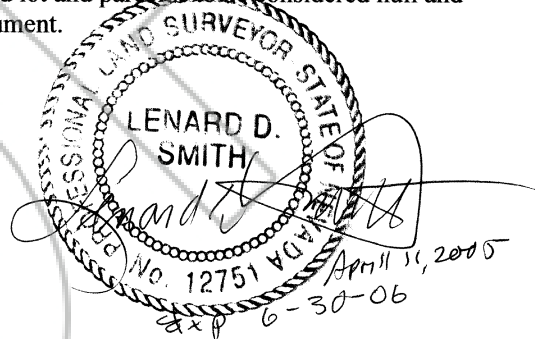

The intent of this map is to merge properties behind certain lots along Holt Avenue, parcels which the owners of the lots are to purchase and was to be combined. The objection to this method is that two pieces of property cannot be merged while they still belong to separate owners.

Therefore, the purpose of this amendment is to accordingly show the new parcels as separate and unattached to lots in front. Therefore, the name of the map in the title block is to have the word "MERGER" deleted and the dashed line between the two (ie. The lot and the parcel behind it) is to be considered the boundary between them.

Additionally, the area in square feet as shown of the combined lot and parcel is to be considered null and void until such time that the two are merged by another instrument.

Sincerely,

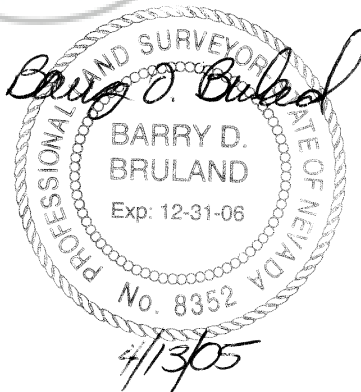

Lenard D. Smith
