(d) Performance of each agreement of Trustor contained in any other agreement given by Trustor to Beneficiary which is for the purpose of further securing any indebtedness or obligation secured hereby.

2. COVENANTS OF TRUSTOR.

2.01. Condition and Operation of Property.

(a) Trustor agrees (i) to keep the Property in good condition and repair, (ii) not to commit or permit any waste or deterioration of the Property, (iii) not to commit or permit any removal, demolition or substantial alteration of the Property except for such alterations as may be required by law, ordinance, rule, regulation or order of any governmental authority having jurisdiction over the Property, (iv) to complete in good and workmanlike manner any construction or restoration which may be performed on the Property and those alterations contemplated in the Loan Agreement, (v) to promptly restore any portion of the Property which may be damaged or destroyed, (vi) not to permit any mechanic's or materialmen's liens against the Property, and (vii) to perform each of Trustor's obligations provided in the Construction Loan Agreement.

(b) Trustor shall not commit, permit or allow to exist, any violation of any law, ordinance, rule, regulation or order of any governmental authority having jurisdiction over the Property or of any matter or record affecting the Property.

2.02. Insurance. Trustor shall, at all times, provide, maintain and keep in force all of the following:

(a) A policy or policies of comprehensive general liability insurance with respect to the Property, including but not limited to owners' and contractors' liability, contractual liability, personal injury, completed operations, broad form property damage, insuring Trustor and Beneficiary, as their interests may appear, against loss for any occurrence resulting in bodily injury to or the death of one or more persons and consequential damages arising therefrom and property damage involving injury or destruction of the tangible property of third parties in the amount of no less than \$140,000.00, combined single limit. All policies should be on an "occurrence" basis with Beneficiary named as an additional insured under such policy or policies.

(b) A policy or policies of builder's risk insurance insuring the Property against loss or damage on an "All-Risk" basis and against such other risks or hazards as Beneficiary may from time to time reasonably designate in the amount of not less than \$140,000.00 without deduction for physical depreciation. Beneficiary shall be named as Loss Payee under such policy or policies.

(c) Such other insurance, and in such amounts, as may from time to time be reasonably required by Beneficiary.

2.03. All policies required by Paragraph 2.02 shall (i) be issued by companies duly qualified and licensed to do such business in the State of Nevada (or the State in which the Property is located) and approved by Beneficiary, (ii) shall be subject to the reasonable approval of Beneficiary as to the insuring

companies, amount, content and forms of policies and expiration dates, (iii) contain a Noncontributory Standard Mortgagee Clause and the Lender's Loss Payable Endorsement (Form 438 BFU NS), or their equivalents, in favor of Beneficiary, (iv) provide that the proceeds thereof shall be payable to Beneficiary (to the extent of its interest), (v) provide that it cannot be modified or canceled, to the extent that such modification or cancellation substantially affects the Property, or Beneficiary's interest thereon, without thirty (30) days' prior written notice to Beneficiary, and (vi) be primary and non-contributory with any other insurance of Beneficiary.

2.04. Trustor shall furnish to Beneficiary a certificate of each policy required under Paragraph 2.02 and, at least thirty (30) days prior to expiration of any such policy, proof of issuance of a policy continuing in force the coverage provided by the expiring policy. In the event Trustor shall fail to maintain the insurance coverage required by this Deed of Trust, Beneficiary may (but shall be under no obligation to) take out the required policies of insurance and pay the premiums on the same or may make such repairs or replacements as are necessary and provide for payment thereof; and all amounts so advanced therefor by Beneficiary shall become an additional obligation of Trustor to Beneficiary, which amounts, together with interest thereon at the Default Rate (as defined and provided for in the Note), Trustor agrees to pay.

2.05. After the happening of any casualty insured against under Paragraph 2.02, Trustor shall give prompt written notice thereof to Beneficiary.

2.06. Trustor hereby assigns to Beneficiary all insurance proceeds which it may be entitled to receive and such proceeds shall be delivered to and held by Beneficiary to be applied to the restoration of any portion of the Property that has been damaged or destroyed to the same condition, character and value as existed prior to such damage or destruction so long as the following conditions have been satisfied: (i) Trustor is not in default hereunder, (ii) Beneficiary's security is not materially impaired and (iii) Trustor deposits with it the additional amounts necessary to accomplish such restoration. The proceeds disbursed for restoration will be released to Trustor under the procedures set forth in the Loan Agreement. In the event that the above conditions are not satisfied, Beneficiary shall have the option, to apply the insurance proceeds upon any indebtedness secured hereby in such order as Beneficiary may determine, or release such proceeds to Trustor without such release being deemed a payment of any indebtedness secured hereby, rather than to apply such proceeds to the restoration of the Property. Such application or release shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice. If the Property is restored at a cost less than the available insurance proceeds, then such excess proceeds shall, if Trustor is not then in default hereunder, be paid over to Trustor.

2.07. In the event of the foreclosure of this Deed of Trust or other transfer of the title to the Property in extinguishment, in whole or in part, of the indebtedness secured hereby, all right, title and interest of Trustor in and to any insurance policy then in force shall pass to the purchaser or grantee to the extent that such insurance policy affects the Property.

3. PAYMENTS.

3.01. Trustor shall pay the principal, interest and other charges due under the Note and the Construction Loan Agreement according to their terms. In addition, Trustor shall pay or cause to be paid:

(a) Prior to the assessment of any penalty or delinquency, all taxes, assessments and other governmental or public charges affecting the Property, and any accrued interest, cost and penalties thereon and Trustor shall submit paid receipt therefor to Beneficiary upon request.

(b) When due, all charges for utilities or services including, but not limited to, electricity, gas, water and sewer.

(c) Upon the occurrence of a default by Trustor hereunder, Trustor shall pay to Beneficiary on the 27th day of each month, together with and in addition to the regular installments of interest due under the Note, until the indebtedness secured hereby is paid in full, an amount equal to one-twelfth (1/12) of the yearly taxes and assessments, insurance premiums, lease rentals and other similar charges (including any amounts which may become payable by Trustor pursuant to Paragraph 6.06 herein below) as estimated by Beneficiary to be sufficient to enable Beneficiary to pay at least thirty (30) days before they become due, all taxes, assessments, insurance premiums, and other similar charges against the Property. Beneficiary shall not be obligated to pay interest on any such sums. Upon demand of Beneficiary, Trustor shall deliver to Beneficiary such additional sums as are necessary to enable Beneficiary to pay such taxes, assessments, insurance premiums and similar charges.

(d) Trustor shall pay immediately, upon demand, after expenditure, all sums expended or expenses incurred by Trustee and/or Beneficiary under any of the terms of this Deed of Trust, including without limitation, any fees and expenses (including reasonable attorneys' fees) incurred in connection with any reconveyance of the Property or any portion thereof, or to compel payment of the Note or any portion of the indebtedness evidenced thereby or in connection with any default thereunder, including without limitation attorneys' fees incurred in any bankruptcy or judicial or non-judicial foreclosure proceeding, with interest from date of expenditure at the Interest Rate provided for in the Note.

(e) Trustor shall pay the amount demanded by Beneficiary or its authorized servicing agent for any statement regarding the obligations secured hereby; provided, however, that such amount may not exceed the maximum amount allowed by law at the time request for the statement is made.

4. CONDEMNATION.

4.01. If the Property, or any part thereof, is taken or damaged by reason of any public improvement or condemnation proceeding, or in any other manner, Beneficiary shall be entitled to all compensation, awards and other payments or relief therefor to which Trustor shall be entitled, and shall be entitled at its option to commence, appear in and prosecute in its own name any action or proceeding or to make any compromise or settlement in connection with such taking or damage to the extent of the interests of Trustor therein. All such compensation, awards, damages, rights of action and proceeds to which Trustor shall be entitled (the "Proceeds") are hereby assigned to Beneficiary, who shall after deducting therefrom all its reasonable expenses, including attorneys' fees, apply or release the Proceeds with the same effect and as provided in Paragraph 2.06 above with respect to disposition of insurance proceeds. However, if there are any excess Proceeds after application thereof to the restoration of the Property, Beneficiary shall be entitled to apply such excess to the reduction of the principal balance due under the Note without any adjustment in the dollar amount of the monthly installments due under the Note. Trustor agrees to execute such further assignments of the Proceeds as Beneficiary or Trustee may require. Nothing herein contained shall prevent the accrual of interest as provided in the Note on any portion of the Proceeds to be applied to the principal balance due under the Note until the Proceeds are received by Beneficiary.

5. RENTS AND LEASES.

5.01. Notwithstanding anything to the contrary contained herein, Trustor hereby absolutely and unconditionally assigns and transfers to Beneficiary all the leases, income, rent, issues, deposits, profits and proceeds of the Property to which Trustor may be entitled, whether now due, past due or to become due, and hereby gives to and confers upon Beneficiary the right, power and authority to collect such

income, rents, issues, deposits, profits and proceeds of the Property to which Trustor may be entitled, whether now due, past due or to become due. The assignment of the Leases constitutes an irrevocable direction and authorization of all tenants under the Leases to pay all rent, income and profits into an account specified by Beneficiary upon demand and without further consent or other action by Trustor. Trustor irrevocably appoints Beneficiary its true and lawful attorney, at the option of Beneficiary at any time, to demand, receive and enforce payment, to give receipts, releases, and satisfactions, and to sue, either in the name of Trustor or in the name of Beneficiary, for all such income, rents, issues, deposits, profits and proceeds and apply the same to the indebtedness secured hereby. It is understood and agreed that neither the foregoing assignment of leases, income, rents, issues, deposits, profits and proceeds to Beneficiary nor the exercise by Beneficiary of any of its rights or remedies under this Paragraph 5 or under Paragraph 6.06 hereof shall be deemed to make Beneficiary a "mortgagee-in-possession" or otherwise responsible or liable in any manner with respect to the Property or the use, occupancy, enjoyment or operation of all or any portion thereof. Notwithstanding anything to the contrary contained herein or in the Note secured hereunder, so long as no Event of Default, shall have occurred, Trustor shall have a license to collect all income, rents, issues, profits and proceeds from the Property as trustee for the benefit of Beneficiary and Trustor shall apply the funds so collected as set forth in the Construction Loan Agreement. Upon the occurrence of an Event of Default, such license shall be deemed revoked and any rents received thereafter by Trustor shall be delivered in kind to Beneficiary. Trustor hereby irrevocably constitutes and appoints Beneficiary its true and lawful attorney-in-fact to enforce in Trustor's name or in Beneficiary's name or otherwise all rights of Trustor in the instruments, including without limitation checks and money orders, tendered as payments of rents and to do any and all things necessary and proper to carry out the purposes hereof.

6. OTHER RIGHTS AND OBLIGATIONS.

6.01. In addition to any other grant, transfer or assignment effectuated hereby, without in any manner limiting the generality of the grants in Article 1 hereof, Trustor shall assign to Beneficiary, Trustor's interest in all agreements, contracts, leases, licenses and permits affecting the Property in any manner whatsoever, such assignments to be made, if so requested by Beneficiary, by instruments in form satisfactory to Beneficiary but no such assignment shall be construed as a consent by Beneficiary to any agreement, contract, license or permit so assigned, or to impose upon Beneficiary any obligations with respect thereto.

6.02. In the event of the passage, after the date of this Deed of Trust, of any law deducting from the value of the Property for the purpose of taxation, any lien thereon, or changing in any way the laws now in force for the taxation of deeds of trust or debts secured by deeds of trust, or the manner of the collection of any such taxes, so as to affect this Deed of Trust, or imposing payment of the whole or any portion of any taxes, assessments or other similar charges against the Property upon the Beneficiary, the indebtedness secured hereby shall immediately become due and payable at the option of the Beneficiary; provided, however, that such election by Beneficiary shall be ineffective if such law either (a) shall not impose a tax upon Beneficiary nor increase any tax now payable by Beneficiary or (b) shall impose a tax upon Beneficiary or increase any tax now payable by Beneficiary and prior to the due date: (i) Trustor is permitted by law and can become legally obligated to pay such tax or the increased portion thereof (in addition to all interest, additional interest and other charges payable hereunder and under the Note without exceeding the applicable limits imposed by the usury laws of the State of Nevada); (ii) Trustor does pay such tax or increased portion; and (iii) Trustor agrees with Beneficiary in writing to pay, or reimburse Beneficiary for the payment of, any such tax or increased portion thereof when thereafter levied or assessed against the Property or any portion thereof. The obligations of Trustor under such agreement shall be secured hereby.

6.03. If required by Beneficiary at any time during the term of this Deed of Trust, Trustor will execute and deliver to Beneficiary, in form satisfactory to Beneficiary, an additional security agreement and/or financing statement covering all personal property of Trustor which may at any time be furnished, placed on, or annexed or made appurtenant to the Property and used, useful or held for use, in the operation of the improvements thereon. Any breach of or default under such security agreement shall constitute an event of default under this Deed of Trust.

6.04. Trustor shall do any and all acts which, from the character or use of the Property or the Collateral, may be reasonably necessary to protect and preserve the security of Beneficiary, the specific enumerations herein not excluding the general.

6.05. Trustor will faithfully perform each and every covenant to be performed by Trustor under any lien or encumbrance upon or affecting the Property, including, without limiting the generality hereof, mortgages, deeds of trust, leases, declaration of covenants, easements, conditions and/or restrictions and other agreements which affect the Property, in law or in equity, which Beneficiary reasonably believes may be prior and superior to the lien or charge of this Deed of Trust. A breach of or a default under any such lien or encumbrance shall constitute an event of default under this Deed of Trust.

6.06. Upon election of either Beneficiary or Trustee so to do, employment of an attorney is authorized and payment by Trustor of all attorneys' fees, costs and expenses in connection with any action and/or actions (including the cost of evidence or search of title), which may be brought for the foreclosure of this Deed of Trust, and/or for possession of the Property covered hereby, and/or for the appointment of a receiver, and/or for the enforcement of any covenant or right in this Deed of Trust contained as hereinafter provided shall be secured hereby.

6.07. No personal property covered by the security interest granted herein may be removed from the Property without the prior written consent of Beneficiary unless Trustor shall immediately replace such personal property with similar property of equivalent value on which Beneficiary has a valid first lien.

6.08. In the event that the interest of Trustor in the Property, or any part thereof, or any interest therein is sold, conveyed, alienated, further encumbered or otherwise transferred by the Trustor, voluntarily or involuntarily, whether by operation of law or otherwise, the Note, irrespective of the maturity date expressed therein, at the option of Beneficiary, and without demand or notice, shall immediately become due and payable. In the event that Beneficiary does not elect to declare the Note immediately due and payable, then, unless indicated otherwise in writing by Beneficiary, Trustor shall nevertheless remain primarily liable for the obligations hereunder and under the Note and any other instrument securing the Note. This provision shall apply to each and every sale, transfer, encumbrance or conveyance, regardless of whether or not Beneficiary has consented to, or waived, Beneficiary's rights hereunder, whether by action or non-action in connection with any previous sale, transfer, encumbrance or conveyance and whether or not the holder has received any payments after said transfer.

6.09. Trustor agrees to execute such documents and take such action as Beneficiary shall reasonably determine to be necessary or desirable to further evidence, perfect or continue the perfection of the lien and security interest granted by Trustor herein.

6.10. Following a ten (10) day written notice to Trustor (unless Beneficiary reasonably determines that emergency circumstances exist which would make the giving of such notice impractical), at the time and in the manner herein provided, Beneficiary may, without releasing Trustor from any obligation hereunder and without waiving its right to declare a default or impairing any declaration of default as herein provided or any sale proceeding predicated thereon:

(a) Make any payment or perform any act in such manner and to such extent as either may deem necessary to protect the security hereof, Beneficiary and Trustee being authorized to enter upon and take possession of the Property for such purposes;

(b) Commence, appear in and/or defend any action or proceedings purporting to affect the security hereof, and/or any additional or other security therefor, the interests, rights, powers and/or duties of Trustee and/or Beneficiary hereunder, whether brought by or against Trustor, Trustee or Beneficiary;

(c) Pay, purchase, contest or compromise any claim, debt, lien, charge or encumbrance which in the judgment of either may affect or appear to affect the security of this Deed of Trust, the interest of Beneficiary or the rights, powers and/or duties of Trustee and/or Beneficiary hereunder; and

(d) Upon an event of default hereunder or under the Note, Beneficiary is authorized either by itself or by its agents to be appointed by it for that purpose or by a receiver appointed by a court of competent jurisdiction, to enter into and upon and take and hold possession of any portion or all of the Property, both real and personal, and exclude Trustor and all other persons therefrom; and to operate and manage the Property and rent and lease the same, perform such reasonable acts of repair or protection as may be reasonably necessary or proper to conserve the value thereof, and collect any and all income, rents, issues, profits and proceeds therefrom, the same being hereby assigned and transferred to Beneficiary for the benefit and protection of Beneficiary, and from time to time apply and/or accumulate such income, rents, issues, profits and proceeds in such order and manner as Beneficiary or such receiver in its sole discretion shall consider advisable, to or upon the following: the expense of receivership, if any, the proper costs of upkeep, maintenance, repair and/or operation of the Property, the repayment of any sums theretofore or thereafter advanced pursuant to the terms of this Deed of Trust upon the indebtedness secured hereby, the taxes and assessments upon the Property then due or next to become due, and/or upon the unpaid principal of such indebtedness. The collection and/or receipt of income, rents, issues, profits and/or proceeds from the Property by Beneficiary, its agent or receiver, after declaration of default and election to cause the Property to be sold under and pursuant to the terms of this Deed of Trust shall not affect or impair such default or declaration of default or election to cause the Property to be sold or any sale proceedings predicated thereon, but such proceedings may be conducted and sale effected notwithstanding the receipt and/or collection of any such income, rents, issues, profits and/or proceeds. Any such income, rents, issues, profits and/or proceeds in the possession of Beneficiary, its agent or receiver, at the time of sale and not theretofore applied as herein provided, shall be applied in the same manner and for the same purposes as the proceeds of the sale. Neither Trustee nor Beneficiary shall be under any obligation to make any of the payments or do any of the acts referred to in this Paragraph and any of the actions referred to in this Paragraph may be taken by Beneficiary irrespective of whether any notice of default or election to sell has been given hereunder and without regard to the adequacy of the security for the indebtedness evidenced by the Note.

7. DEFAULTS AND REMEDIES.

7.01. Trustor shall be in default hereunder upon the breach of any covenant or warranty contained herein, or if an Event of Default shall have occurred and be continuing under the Construction Loan Agreement, the Note, or any other obligation secured hereby.

7.02. Upon the occurrence of any default hereunder, or under the Note, the Construction Loan Agreement or any other documents executed in connection herewith, then and in each such event, Beneficiary may declare all sums secured hereby immediately due and payable either by commencing an action to foreclose this Deed of Trust as a mortgage, or by the delivery to Trustee of a written declaration of default and demand for sale and of written notice of default and of election to cause the Property to be

sold, which notice Trustee shall cause to be duly filed for record in case of foreclosure by exercise of the power of sale herein. Should Beneficiary elect to foreclose by exercise of the power of sale herein, Beneficiary shall also deposit with Trustee this Deed of Trust, the Note and such receipts and evidence of expenditures made and secured hereby as Trustee may require, and notice of sale having been given as then required by law and after lapse of such time as may then be required by law after recording of such notice of default, Trustee, without demand on Trustor, shall sell the Property at the time and place of sale fixed by it in said notice of sale, either as a whole or in separate parcels, and in such order as it may determine, at public auction to the highest bidder for cash in lawful money of the United States, payable at time of sale. Trustee may postpone sale of all or any portion of the Property by public announcement at such time and place of sale, and from time to time thereafter may postpone such sale by public announcement at the time fixed by the preceding postponement. Trustee shall deliver to such purchaser its deed or deeds conveying the Property, or any portion thereof, so sold, but without any covenant or warranty, express or implied. The recitals in such deed or deeds of any matters or facts, shall be conclusive proof of the truthfulness thereof. Any person, including Trustor, Trustee or Beneficiary, may purchase at such sale.

7.03. Beneficiary, from time to time before Trustee's sale, may rescind any such notice of breach or default and of election to cause the Property to be sold by executing and delivering to Trustee a written notice of such rescission, which notice, when recorded, shall also constitute a cancellation of any prior declaration of default and demand for sale. The exercise by Beneficiary of such right of rescission shall not constitute a waiver of any breach or default then existing or subsequently occurring, or impair the right of Beneficiary to execute and deliver to Trustee, as above provided, other declarations of default and demand for sale, and notices of breach or default, and of election to cause the Property to be sold to satisfy the obligations hereof, nor otherwise affect any provision, agreement, covenant or condition of the Note, the Construction Loan Agreement and of this Deed of Trust or any of the rights, obligations or remedies of the parties hereunder.

7.04. After deducting all costs, fees and expenses of Trustee, including the cost of evidence of title in connection with sale and attorneys' fees, Trustee shall apply the proceeds of sale as required by applicable law.

7.05. If Beneficiary at any time holds additional security for any obligations secured hereby, it may enforce the terms hereof or otherwise realize upon the same, at its option, either before or concurrently herewith or after a sale is made hereunder, and may apply the proceeds upon the indebtedness secured hereby without affecting the status of or waiving any right to exhaust all or any other security, including the security hereunder, and without waiving any breach or default or any right or power whether exercised hereunder or contained herein or in any such other security.

7.06. No remedy herein conferred upon or reserved to Trustee or Beneficiary is intended to be exclusive of any other remedy herein or by law provided or permitted, but each shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute. Every power or remedy given by this instrument to Trustee or Beneficiary or to which either of them may be otherwise entitled, may be exercised concurrently or independently, from time to time and as often as may be deemed expedient by Trustee or Beneficiary, and either of them may pursue inconsistent remedies.

7.07. Subject to any notice requirement and opportunity to cure contained herein, in the event of a default hereunder, Beneficiary, as a matter of right and without notice to Trustor or anyone claiming under it, and without regard to the then value of the Property or the interest of Trustor therein, shall have the right to apply to any court having jurisdiction to appoint a receiver or receivers of the Property, and Trustor hereby irrevocably consents to such appointment and waives notice of any application therefor.

Any such receiver or receivers shall have all the usual powers and duties of receivers in like or similar cases and all the powers and duties of Beneficiary in case of entry as provided herein and shall continue as such and exercise all such powers until the date of confirmation of sale of the Property unless such receivership is sooner terminated.

8. MISCELLANEOUS PROVISIONS.

8.01. By accepting payment of any sum secured hereby after its due date or in an amount less than the sum due, Beneficiary does not waive its rights either to require prompt payment when due of all other sums so secured or to declare a default as herein provided for failure to pay the total sum due.

8.02. At any time, or from time to time, without liability therefor and without notice, upon written request of Beneficiary and presentation of this Deed of Trust and the Note for endorsement, and without affecting the personal liability of any person for payment of the indebtedness secured hereby or the effect of this Deed of Trust upon the remainder of the Property, Trustee may: reconvey any part of the Property; consent in writing to the making of any map or plat thereof; join in granting any easement thereon; or join in any extension agreement or any agreement subordinating the lien or charge hereof.

8.03. Beneficiary shall be subrogated for further security to the lien, although released of record, of any and all encumbrances paid out of the proceeds of the Loan secured by this Deed of Trust.

8.04. Beneficiary is authorized by itself, its agents, employees or workmen, to enter at any reasonable time upon any part of the Property for the purpose of inspecting the same, and for the purpose of performing any of the acts it is authorized to perform under the terms of the Construction Loan Agreement and this Deed of Trust.

8.05. Subject to the provisions of Paragraph 6.08 hereof, this Deed of Trust applies to, inures to the benefit of, and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns. The term "Beneficiary" shall mean the owner and holder, including pledgees of the Note, now or hereafter and whether or not named as Beneficiary herein. In this Deed of Trust, whenever the context so requires, the masculine gender includes the feminine and/or neuter, and the singular number includes the plural.

8.06. Trustee, upon presentation to it of an affidavit signed by or on behalf of Beneficiary, setting forth any fact or facts showing a default by Trustor under any of the terms or conditions of this Deed of Trust, is authorized to accept as true and conclusive all facts and statements in such affidavit and to act hereunder in complete reliance thereon.

8.07. If any provision hereof should be held unenforceable or void, then such provision shall be deemed separable from the remaining provisions and shall in no way affect the validity of this Deed of Trust.

8.08. Trustee accepts this Trust when this Deed of Trust, duly executed and acknowledged, is made a public record as provided by law. The Trust created hereby is irrevocable by Trustor.

8.09. Trustee shall be under no obligation to notify any party hereto of any action or proceeding of any kind in which Trustor, Beneficiary and/or Trustee shall be a party, unless brought by Trustee, or of any pending sale under any other deed of trust.

8.10. Beneficiary may, from time to time, by a written instrument executed and acknowledged by Beneficiary and recorded in the county or counties where the Property is located, substitute a successor or successors for the Trustee named herein or acting hereunder.

8.11. The right to plead any and all statutes of limitation as a defense to any demand secured by this Deed of Trust is hereby waived to the full extent permitted by law.

8.12.
