"Permitted Encumbrances" means the outstanding liens, easements, restrictions, security interests and other exceptions to Grantor's title to the Collateral of record and recorded prior to the date hereof, together with the liens and security interests in favor of Beneficiary created by the Transaction Documents and the paramount title of the United States in the unpatented mining claims or mill sites, none of which, individually or in the aggregate, materially interferes with the benefits of the security intended to be provided by this Deed of

Trust, materially and adversely affects the value of the Collateral, impairs the use or operations of the Collateral or impairs Grantor's ability to pay its obligations in a timely manner.

Section 1.2. General Construction. Unless otherwise noted, all "Article" and "Section" references shall be to Articles or Sections of this Deed of Trust. All uses of the word "including" shall mean "including, without limitation" unless the context shall indicate otherwise. Unless otherwise specified, the words "hereof," "herein" and "hereunder" and words of similar import when used in this Deed of Trust shall refer to this Deed of Trust as a whole and not to any particular provision of this Deed of Trust. Unless otherwise specified, all meanings attributed to defined terms herein shall be equally applicable to both the singular and plural forms of the terms so defined. All references to the Transaction Documents shall mean such document as it is constituted as of the date hereof, as the same may be amended, restated, replaced, supplemented or otherwise modified from time to time.

ARTICLE 2.

GRANT

Section 2.1. Grant. To secure the full and timely payment and performance of the Obligations, Grantor hereby irrevocably GRANTS, TRANSFERS, BARGAINS, SELLS, CONVEYS and ASSIGNS the Collateral to Trustee (subject, however, to the Permitted Encumbrances), TO HAVE AND TO HOLD, IN TRUST, WITH POWER OF SALE, and Grantor does hereby bind itself, its successors and assigns to WARRANT AND FOREVER DEFEND the title to the Collateral unto Trustee.

ARTICLE 3.

WARRANTIES, REPRESENTATIONS AND COVENANTS

Grantor warrants, represents and covenants to Beneficiary as follows:

Section 3.1. Title to Collateral and Lien of this Instrument. Grantor owns good title to the Collateral free and clear of any liens, claims or interests, subject only to the Permitted Encumbrances. This Deed of Trust creates valid, enforceable first priority liens and security interests against the Collateral.

Section 3.2. Collateral.

- (a) **Fee Property.** Grantor does not own any real property.
- (b) **Mining Claims.** Grantor does not own, possess or assert any right to any Mining Claims, except for those Mining Claims described in Exhibit A.
- (c) **Property Rights.** Grantor does not have any right, title or interest in or to any Property Rights.
- (d) **Property Agreements.** Grantor does not have any rights in any Property Agreements.

Section 3.3. First Lien Status. Grantor shall preserve and protect the first priority lien and security interest status of this Deed of Trust and the other Transaction Documents. If any lien or security interest other than the Permitted Encumbrances is asserted against the Collateral, Grantor shall promptly, and at its expense, give Beneficiary a detailed written notice of such lien or security interest (including origin, amount and such other information as Beneficiary may request), and shall either (i) pay the underlying claim in full or take such other action so as to cause it to be released, or (ii) contest the same in compliance with the requirements of the Security Agreement (including the requirement of providing a bond or other security satisfactory to Beneficiary).

Section 3.4. Payment and Performance. Grantor shall pay and perform the Obligations in full when they are required to be performed.

Section 3.5. Replacement of Fixtures. Grantor shall not, without the prior written consent of Beneficiary (which may be granted or withheld in Beneficiary's sole and absolute discretion), permit any of the Fixtures or other Collateral to be removed at any time, unless the removed item is removed temporarily for maintenance and repair or for relocation to another location owned by Parent or any Subsidiary and continuing to constitute collateral for the Obligations pursuant to any Transaction Document, or, if removed permanently, is obsolete. Notwithstanding the foregoing, Grantor may sell or dispose of any fixtures having a value of less than \$75,000, and remove them without the prior written consent of Beneficiary.

Section 3.6. Maintenance of Rights of Way, Easements and Licenses. Grantor shall maintain all rights of way, easements, grants, privileges, licenses, certificates, permits, entitlements, and franchises necessary for the use of the Collateral. Grantor will not, without the prior consent of Beneficiary (which may be granted or withheld in Beneficiary's sole and absolute discretion), voluntarily consent to any public restriction (including any zoning ordinance) or private restriction as to the use of the Collateral. Grantor shall comply with all restrictive covenants affecting the Collateral, and all Legal Requirements, including zoning ordinances, Environmental Laws and other public or private restrictions as to the use of the Collateral or imposed on Grantor or the Collateral.

Section 3.7. Inspection. Grantor shall permit Beneficiary and/or Trustee, and their agents, representatives and employees, at the expense of the Beneficiary, upon reasonable prior notice to Grantor, to inspect the Collateral and conduct such environmental and engineering studies as Beneficiary may require, provided that such inspections and studies shall not materially interfere with the use and operation of the Collateral nor shall such inspections or studies be conducted during regular operating hours. Following any Event of Default, Beneficiary and/or Trustee and their agents, representatives and employees shall be entitled to inspect the Collateral and cause such inspections and studies without prior notice, at any time and at Grantor's sole cost and expense.

Section 3.8. Other Covenants. All of the covenants in the Security Agreement are incorporated herein by reference and, together with covenants in this Article 3 shall be covenants running with the Collateral. The covenants set forth in the Security Agreement include, among other provisions: (a) the prohibition against the further sale, transfer or encumbering of any of the Collateral, (b) the obligation to pay when due all taxes on the Collateral or assessed against Beneficiary, (c) the right of Beneficiary to inspect the Collateral, (d) the obligation to keep the Collateral insured in accordance with the Security Agreement, (e) the obligation to comply with all legal requirements (including Environmental Laws), and (f) the obligation to maintain the Collateral in good condition, and promptly repair any damage or casualty.

Section 3.9. Condemnation Awards and Insurance Proceeds.

(a) **Condemnation Awards.** Grantor assigns to Beneficiary all awards and compensation for any condemnation or other taking, or any purchase in lieu thereof, and, upon the occurrence of an Event of Default, authorizes Beneficiary to collect and receive such awards and compensation and to give proper receipts and acquittances therefor.

(b) **Insurance Proceeds.** Grantor assigns to Beneficiary all proceeds of any insurance policies insuring against loss or damage to the Collateral. Upon the occurrence of an Event of Default, Grantor authorizes Beneficiary to collect and receive such proceeds, to give proper receipts and acquittances therefor, and authorizes and directs the issuer of each of such insurance policies to make payment for all such losses directly to Beneficiary, instead of to Grantor and Beneficiary jointly.

Section 3.10. Unpatented Mining Claims.

(a) **Fees; Compliance.** Grantor has paid all fees required by any governmental authority or required by law in order to maintain the unpatented claims and mill sites included within the Mining Claims, or has performed or caused to be performed any assessment and other work required by law to maintain those unpatented claims and mill sites in good faith belief of its validity as annual assessment work and in accordance with the standard of care of a reasonable mining company engaged in like work in the vicinity in which it is performed. Grantor has timely recorded with the appropriate county and filed with the appropriate United States agency any required affidavits, notices of intent to hold, and other documents in proper form attesting to the payment of governmental fees, the performance of assessment work or intent to hold the unpatented claims and mill sites, in each case in sufficient detail to reflect compliance with the requirements applicable to each claim and site.

(b) **Rights of Grantor; Mining Claims.** Grantor may: (i) locate, amend or relocate any unpatented mining claim or mill site, (ii) locate any fractions resulting from such amendment or relocation, (iii) apply for patents or mining leases or other forms of mineral tenure for any such unpatented claims or sites, (iv) abandon any unpatented claims for the purpose of locating mill sites or otherwise acquiring from the United States rights to the ground covered thereby, (v) abandon any unpatented mill sites for the purpose of locating mining claims or otherwise acquiring from the United States rights to the ground covered thereby, (vi) exchange with or convey to the United States any of the Mining Claims for the purpose of acquiring rights to the ground covered thereby or other adjacent ground, and (vii) convert any unpatented claims or unpatented mill sites into one or more leases or other forms of mineral tenure pursuant to any law hereafter enacted -- provided that any such newly located, amended, relocated, or converted claim or site, patent, lease or other form of mineral tenure, or any form of mineral tenure received in an exchange or through a conversion pursuant to any law hereafter enacted, shall for all purposes be included within the definition of Mining Claims for all purposes of this Deed of Trust as if specifically listed herein and on the Exhibit attached hereto.

(c) **Additional Representations; Warranties.** Grantor represents and warrants to Beneficiary that (a) Grantor enjoys the quiet and peaceful possession of the unpatented claims and mill sites, (b) Grantor is in full compliance with all laws regarding the unpatented claims and mill sites, and (c) Grantor is not in default or violation under any law regarding the unpatented claims and mill sites. Grantor shall promptly pay, when due and payable, the maintenance fees and all other charges payable pursuant to law regarding the unpatented claims and mill sites. Grantor shall notify Beneficiary in writing of any default or violation by Grantor in the performance or observance of any act required by law on the part of Grantor to be performed or observed regarding the unpatented claims and mill sites within ten (10) days after Grantor knows of such default or violation. Grantor shall, promptly following the receipt thereof, deliver a copy

of any notice of default or violation given to Grantor regarding the unpatented claims and mill sites and promptly notify Beneficiary in writing of any default by the lessor or grantor in the performance or observance of any of the terms, covenants or conditions under applicable law.

Section 3.11. Indemnification. Grantor covenants and agrees, at its sole cost and expense, to protect, defend, indemnify, release and hold Trustee, Beneficiary, and each of their respective successors and assigns harmless from and against any and all losses, damages, costs, fees, expenses, claims, suits, judgments, awards, liabilities diminutions in value, fines, penalties, charges, damages, litigation costs, attorneys' fees, engineers' fees, environmental consultants' fees, and investigation costs of whatever kind or nature, and whether or not incurred in connection with any judicial or administrative proceedings, actions, claims, suits, judgments or awards imposed upon or incurred by or asserted against any of Trustee or Beneficiary and directly or indirectly arising out of any breach of Grantor's representations, warranties or covenants hereunder.

ARTICLE 4.

DEFAULT AND FORECLOSURE

Section 4.1. Remedies. If an Event of Default exists, Beneficiary may, at Beneficiary's election and by or through Trustee or otherwise, exercise any or all of the following rights, remedies and recourses:

(a) **Acceleration.** Declare the Obligations to be immediately due and payable, without further notice, presentment, protest, notice of intent to accelerate, notice of acceleration, demand or action of any nature whatsoever (each of which hereby is expressly waived by Grantor), whereupon the same shall become immediately due and payable.

(b) **Entry on Collateral.** Enter the Collateral and take exclusive possession thereof and of all books, records and accounts relating thereto. If Grantor remains in possession of the Collateral after an Event of Default and without Beneficiary's written consent (to be issued or withheld in Beneficiary's sole and absolute discretion), Beneficiary may invoke any legal remedies to dispossess Grantor.

(c) **Foreclosure and Sale.** To the greatest extent permitted by law, sell or offer for sale the Collateral in such portions, order and parcels as Beneficiary may reasonably determine (in consideration of the nature of the Collateral), with or without having first taken possession of same, to the highest bidder for cash at public auction. Such sale shall be made in accordance with the laws of the State of Nevada relating to the sale of real estate or by Article 9 of the UCC relating to the sale of collateral after default by a debtor (as such laws now exist or may be hereafter amended or succeeded), or by any other present or subsequent articles or enactments relating to same. With respect to any notices required or permitted under the UCC, Grantor agrees that fifteen (15) days' prior written notice shall be deemed commercially reasonable. Except as otherwise provided in Section 40.462 of the Nevada Revised Statutes, at any such sale (i) whether made under the power herein contained, the UCC, any other legal requirement or by virtue of any judicial proceedings or any other legal right, remedy or recourse, it shall not be necessary for Trustee to be physically present at or to have constructive possession

of the Collateral (Grantor shall deliver to Trustee any portion of the Collateral not actually or constructively possessed by Trustee immediately upon demand by Trustee), and the title to and right of possession of any such property shall pass to the purchaser thereof as completely as if Trustee had been actually present and delivered to purchaser at such sale, (ii) each instrument of conveyance executed by Trustee shall contain a general warranty of title binding upon Grantor, (iii) each recital contained in any instrument of conveyance made by Trustee shall conclusively establish the truth and accuracy of the matters recited therein, including nonpayment of the Obligations, advertisement and conduct of such sale in the manner provided herein and otherwise by law and appointment of any successor Trustee hereunder, (iv) any prerequisites to the validity of such sale shall be conclusively presumed to have been performed, (v) the receipt of Trustee or other party making the sale shall be a sufficient discharge to the purchaser or purchasers for its or their purchase money and no such purchaser or purchasers, or its or their assigns or personal representatives, shall thereafter be obligated to see to the application of such purchase money or be in any way answerable for any loss, misapplication or nonapplication thereof, and (vi) to the fullest extent permitted by law, Grantor shall be completely and irrevocably divested of all of its right, title, interest, claim, equity, equity of redemption, and demand whatsoever, either at law or in equity, in and to the property sold and such sale shall be a perpetual bar both at law and in equity against Grantor, and against all other persons claiming or to claim the property sold or any part thereof, by, through or under Grantor. Beneficiary may be a purchaser at such sale and if Beneficiary is the highest bidder, may credit the portion of the purchase price that would be distributed to Beneficiary against the Obligations in lieu of paying cash.

(d) **Other Disposition.** Except as prohibited by applicable law, Beneficiary may exercise, in respect of the Collateral, in addition to any other rights and remedies provided for herein or otherwise available to it, all of the rights and remedies of a secured party upon default under the UCC (whether or not the UCC applies to the affected Collateral), and also may (i) take absolute control of the Collateral, including, without limitation, transfer into Beneficiary's name or into the name of its nominee or nominees (to the extent Beneficiary has not theretofore done so) and thereafter receive, for the benefit of Beneficiary, all payments made thereon, give all consents, waivers and ratifications in respect thereof and otherwise act with respect thereto as though it were the outright owner thereof, (ii) require Grantor to assemble all or part of the Collateral as directed by Beneficiary and make it available to Beneficiary at a place or places to be designated by Beneficiary that is reasonably convenient to both parties, and Beneficiary may enter into and occupy any premises owned or leased by Grantor where the Collateral or any part thereof is located or assembled for a reasonable period in order to effectuate Beneficiary's rights and remedies hereunder or under law, without obligation to Grantor in respect of such occupation, and (iii) without notice except as specified below and without any obligation to prepare or process the Collateral for sale, (A) sell the Collateral or any part thereof in one or more parcels at a bona fide public or private sale, at any of Beneficiary's offices or elsewhere, for cash, on credit or for future delivery, and at a commercially reasonable price or prices and upon such other terms as Beneficiary may deem commercially reasonable and/or (B) lease, license or dispose of the Collateral or any part thereof upon terms Beneficiary may deem commercially reasonable. Grantor agrees that, whether or not notice of sale or any other disposition of the Collateral shall be required by law, Beneficiary shall give Grantor at least fifteen (15) days' notice to Grantor of the time and place of any public sale or the time after which any private sale or other disposition of the Collateral is to be made and that such notice shall constitute reasonable notification. Beneficiary shall not be obligated to make any sale or

other disposition of any of the Collateral regardless of notice of sale having been given. Beneficiary may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. Grantor hereby waives any claims against Beneficiary arising by reason of the fact that the price at which the Collateral may have been sold at a private sale was less than the price which might have been obtained at a public sale or was less than the aggregate amount of the Obligations, even if Beneficiary accepts the first offer received and does not offer such Collateral to more than one offeree, and waives all rights that Grantor may have to require that all or any part of such Collateral be marshaled upon any sale (public or private) thereof. Grantor hereby acknowledges that (i) any such sale of the Collateral by Beneficiary may be made without warranty, (ii) Beneficiary may specifically disclaim any warranties of title, possession, quiet enjoyment or the like, and (iii) such actions set forth in clauses (i) and (ii) above shall not adversely affect the commercial reasonableness of any such sale of Collateral.

(e) **Receiver.** Make application to a court of competent jurisdiction for, and obtain from such court as a matter of strict right and without notice to Grantor or regard to the adequacy of the Collateral for the repayment of the Obligations, the appointment of a receiver of the Collateral, and Grantor irrevocably consents to such appointment. Any such receiver shall have all the usual powers and duties of receivers in similar cases, including the full power to rent, maintain and otherwise operate the Collateral upon such terms as may be approved by the court, and shall apply such Rents in accordance with the provisions of Section 4.7.

(f) **No Obligation to Marshal.** Beneficiary shall not be required to marshal any present or future collateral security (including this Deed of Trust and the Collateral) for, or other assurances of payment of, the Obligations or any of them or to resort to such collateral security or other assurances of payment in any particular order, and all of Beneficiary's rights hereunder and in respect of such collateral security and other assurances of payment shall be cumulative and in addition to all other rights, however existing or arising. To the extent that Grantor lawfully may, Grantor hereby agrees that it will not invoke any law relating to the marshaling of collateral which might cause delay in or impede the enforcement of Beneficiary's rights under this Deed of Trust or under any other instrument creating or evidencing any of the Obligations or under which any of the Obligations is outstanding or by which any of the Obligations is secured or payment thereof is otherwise assured, and, to the extent that it lawfully may, the Company hereby irrevocably waives the benefits of all such laws.

(g) **Other.** Exercise all other rights, remedies and recourses granted under the Transaction Documents or otherwise available at law or in equity (including an action for specific performance of any covenant contained in the Transaction Documents, either before, during or after any proceeding to enforce this Deed of Trust). Notwithstanding the foregoing, if a suit or action is commenced to enforce any provision of this Deed of Trust, the prevailing party shall be entitled to recover its reasonable costs and attorneys' fees from the non-prevailing party.

(h) **Operation of Collateral.** Notwithstanding anything to the contrary contained in this Deed of Trust, neither Trustee nor Beneficiary shall operate the Collateral for mining and/or mineral extraction purposes unless and until Beneficiary shall have received title to the Collateral by foreclosure, deed-in-lieu of foreclosure or otherwise in connection with its rights and remedies hereunder.

Section 4.2. Separate Sales. The Collateral may be sold in one or more parcels and in such manner and order as Trustee, in its sole and absolute discretion, may elect; and the right of sale arising out of any Event of Default shall not be exhausted by any one or more sales.

Section 4.3. Remedies Cumulative, Concurrent and Nonexclusive. Beneficiary shall have all rights, remedies and recourses granted hereunder and in the Transaction Documents and available at law or equity (including the UCC), which rights (a) shall be cumulative and concurrent, (b) may be pursued separately, successively or concurrently against Grantor or others obligated under the other Transaction Documents, or against the Collateral, or against any one or more of them, at the sole discretion of Beneficiary, (c) may be exercised as often as occasion therefor shall arise, and the exercise or failure to exercise any of them shall not be construed as a waiver or release thereof or of any other right, remedy or recourse, and (d) are intended to be, and shall be, nonexclusive. No action by Beneficiary or Trustee in the enforcement of any rights, remedies or recourses hereunder, under the Transaction Documents or otherwise at law or equity shall be deemed to cure any Event of Default. To the extent permitted by law, Grantor hereby waives and releases all procedural errors, defects and imperfections in any proceedings instituted by Trustee or Beneficiary under the terms of this Deed of Trust.

Section 4.4. Release of and Resort to Collateral. Beneficiary may release, regardless of consideration and without the necessity for any notice to or consent by the holder of any subordinate lien on the Collateral, any part of the Collateral without, as to the remainder, in any way impairing, affecting, subordinating or releasing the lien or security interests created in or evidenced by the Transaction Documents or their stature as a first and prior lien and security interest in and to the Collateral. For payment of the Obligations, Beneficiary may resort to any other security in such order and manner as Beneficiary may elect.

Section 4.5. Waiver of Redemption, Notice and Marshalling of Assets. To the fullest extent permitted by law, Grantor hereby irrevocably and unconditionally waives and releases (a) all benefit that might accrue to Grantor by virtue of any present or future statute of limitations or law or judicial decision exempting the Collateral from attachment, levy or sale on execution or providing for any appraisal, valuation, stay of execution, exemption from civil process, redemption or extension of time for payment, and (b) any right to a marshalling of assets or a sale in inverse order of alienation.

Section 4.6. Discontinuance of Proceedings. If Beneficiary shall have proceeded to invoke any right, remedy or recourse permitted under the Transaction Documents and shall thereafter elect to discontinue or abandon it for any reason, Beneficiary shall have the unqualified right to do so and, in such an event, Grantor and Beneficiary shall be restored to their former positions with respect to the Obligations, the Transaction Documents, the Collateral and otherwise, and the rights, remedies, recourses and powers of Beneficiary shall continue as if the right, remedy or recourse had never been invoked, but no such discontinuance or abandonment shall waive any Event of Default which may then exist or the right of Beneficiary thereafter to exercise any right, remedy or recourse under the Transaction Documents for such Event of Default.

Section 4.7. Application of Proceeds. The proceeds of any sale of, and the Rents and other amounts generated by the holding, operating, insuring, leasing, management, operation or other use of the Collateral, shall be applied by Beneficiary or Trustee (or the receiver, if one is appointed) in the following order unless otherwise required by applicable law:

(a) to the payment of the reasonable costs and expenses of taking possession of the Collateral and of holding, using, leasing, repairing, improving and selling the same, including (1) trustee's and receiver's fees and expenses, (2) court costs, (3) attorneys' and accountants' fees and expenses, (4) costs of advertisement, and (5) the payment of all ground rent, real estate taxes and assessments, except any taxes, assessments, or other charges subject to which the Collateral shall have been sold;

(b) to the payment of all amounts (including interest at the Default Rate), which may be due to Beneficiary under the Transaction Documents;

(c) to the payment and performance of the remainder of the Obligations in such manner and order of preference as Beneficiary in its sole discretion may determine; and

(d) the balance, if any, to the payment of the persons legally entitled thereto.

Section 4.8. Occupancy After Foreclosure. The purchaser at any sale pursuant to Section 4.1(d) shall become the legal owner of the Collateral. All occupants of the Collateral shall, at the option of such purchaser, become tenants of the purchaser at the sale and shall deliver possession thereof immediately to the purchaser upon demand. It shall not be necessary for the purchaser at said sale to bring any action for possession of the Collateral other than the statutory action of forcible detainer in any court having jurisdiction over the Collateral.

Section 4.9. Additional Advances and Disbursements; Costs of Enforcement.

(a) If Grantor shall fail, refuse or neglect to make any payment or perform any act required by the Transaction Documents and such failure constitutes an Event of Default, then without notice to or demand upon Grantor or any other Person, and without waiving or releasing any other right, remedy or recourse Beneficiary may have because of such Event of Default, Beneficiary may (but shall not be obligated to) make such payment or perform such act for the account of and at the expense of Grantor, provided that any such action by or on behalf of Beneficiary of such non-performance or breach shall not be deemed to cure any such Event of Default. All sums advanced and expenses incurred at any time by Beneficiary under this Section 4.9, or otherwise under this Deed of Trust or any of the other Transaction Documents or applicable law, shall be payable within the Demand Period, and shall bear interest from the expiration of the Demand Period to and including the date of reimbursement, computed at the Default Rate, and all such sums, together with interest thereon, shall be secured by this Deed of Trust.

(b) Prior to the expiration of the applicable Demand Period, Grantor shall pay, or at Beneficiary's option, reimburse Beneficiary and Trustee for, all expenses (including reasonable attorneys' fees and expenses) of or incidental to the enforcement of this Deed of Trust and the other Transaction Documents, or the enforcement, compromise or settlement of the

Obligations or any claim under this Deed of Trust and the other Transaction Documents, or for defending or asserting the rights and claims of Beneficiary in respect thereof, by litigation or otherwise. Such expenses shall include reasonable expenses (including the reasonable fees and expenses of legal counsel for Beneficiary) incurred in connection with (i) the preservation and enforcement of Beneficiary's liens and security interests under this Deed of Trust, (ii) the protection, exercise or enforcement of Beneficiary's rights with respect to the Collateral including Beneficiary's rights to (1) collect or take possession of the Collateral and the proceeds thereof, (2) hold the Collateral, (3) prepare the Collateral for sale or other disposition and (4) sell or otherwise dispose of the Collateral, and (iii) the assertion, protection, exercise or enforcement of Beneficiary's rights in any proceeding under the United States Bankruptcy Code, including the preparation, filing and prosecution of (1) proofs of claim, (2) motions for relief from the automatic stay, (3) motions for adequate protection, and (4) complaints, answers and other pleadings in adversary proceedings by or against Beneficiary or relating in any way to the Collateral.

Section 4.10. No Mortgagee-in-Possession. Neither the enforcement of any of the remedies under this Article 4, the assignment of the Leases and Rents under Article 5, the security interests under Article 6, nor any other remedies afforded to Beneficiary under the Transaction Documents, at law or in equity shall cause Beneficiary or Trustee to be deemed or construed to be a mortgagee-in-possession of the Collateral, to obligate Beneficiary or Trustee to lease the Collateral or attempt to do so, or to take any action, incur any expense, or perform or discharge any obligation, duty or liability whatsoever under any of the Leases or otherwise.

ARTICLE 5.

ASSIGNMENT OF LEASES AND RENTS

Section 5.1. Assignment. Grantor hereby assigns to Beneficiary, as further security for the Obligations, the Leases, Lease Guaranties and Rents. Upon the occurrence of any Event of Default, Beneficiary shall be entitled to exercise any or all of the remedies provided in the Assignment of Leases and Rents and in Article 4 hereof, including the right to have a receiver appointed.

Section 5.2. No Merger of Estates. So long as any part of the Obligations remain unpaid and undischarged, the fee and leasehold estates to the Collateral shall not merge, but shall remain separate and distinct, notwithstanding the union of such estates either in Grantor, Beneficiary, any lessee or any third party by purchase or otherwise.

**ARTICLE 6.****INTENTIONALLY OMITTED****ARTICLE 7.****CONCERNING THE TRUSTEE**

Section 7.1. Certain Rights. With the approval of Beneficiary, Trustee shall have the right to select, employ and consult with legal counsel. Trustee shall have the right to rely on any instrument, document or signature authorizing or supporting any action taken or proposed to be taken by Trustee hereunder, believed by Trustee in good faith to be genuine. Trustee shall be entitled to reimbursement for actual, reasonable expenses incurred by Trustee in the performance of Trustee's duties. Grantor shall, from time to time, pay the compensation due to Trustee hereunder and reimburse Trustee for, and indemnify, defend and save Trustee harmless against, all liability and reasonable expenses which may be incurred by Trustee in the performance of Trustee's duties, including those arising from the joint, concurrent, or comparative negligence of Trustee; however, Grantor shall not be liable under such indemnification to the extent such liability or expenses result from Trustee's gross negligence or willful misconduct hereunder. Grantor's obligations under this Section 7.1 shall not be reduced or impaired by principles of comparative or contributory negligence.

Section 7.2. Retention of Money. All moneys received by Trustee shall, until used or applied as herein provided, be held in trust for the purposes for which they were received, but need not be segregated in any manner from any other moneys (except to the extent required by law), and Trustee shall be under no liability for interest on any moneys received by Trustee hereunder.

Section 7.3. Successor Trustees. If Trustee or any successor Trustee shall die, resign or become disqualified from acting in the execution of this trust, or Beneficiary shall desire to appoint a substitute Trustee, Beneficiary shall have full power to appoint one or more substitute Trustees and, if preferred, several substitute Trustees in succession who shall succeed to all the estates, rights, powers and duties of Trustee. Such appointment may be executed by any authorized agent of Beneficiary, and as so executed, such appointment shall be conclusively presumed to be executed with authority, valid and sufficient, without further proof of any action. Any such successor Trustee shall be knowledgeable and have prior experience in the exercise of remedies with respect to similar collateral as the Collateral.

Section 7.4. Perfection of Appointment. Should any deed, conveyance or instrument of any nature be required from Grantor by any successor Trustee to more fully and certainly vest in and confirm to such successor Trustee such estates, rights, powers and duties, then, upon request by such Trustee, all such deeds, conveyances and instruments shall be made, executed, acknowledged and delivered and shall be caused to be recorded and/or filed by Grantor; provided, however, that in no event shall Grantor's liability in connection with the preparation and perfection of this Deed of Trust exceed \$25,000.

Section 8.2. Covenants Running with the Collateral. All Obligations contained in this Deed of Trust are intended by Grantor, Beneficiary and Trustee to be, and shall be construed as, covenants running with the Collateral. As used herein, "Grantor" shall refer to the party named in the first paragraph of this Deed of Trust and to any subsequent owner of all or any portion of the Collateral (without in any way implying that Beneficiary has or will consent to any such conveyance or transfer of the Collateral). All persons or entities who may have or acquire an interest in the Collateral shall be deemed to have notice of, and be bound by, the terms of the Security Agreement and the other Transaction Documents; however, no such party shall be entitled to any rights thereunder without the prior written consent of Beneficiary (which may be issued or withheld in Beneficiary's sole and absolute discretion).

Section 8.3. Attorney-in-Fact. Grantor hereby irrevocably appoints Beneficiary and its successors and assigns, as its attorney-in-fact, which agency is coupled with an interest, (a) to execute and/or record any notices of completion, cessation of labor, or any other notices that Beneficiary deems appropriate to protect Beneficiary's interest, if Grantor shall fail to do so within ten (10) days after written request by Beneficiary, (b) upon the issuance of a deed pursuant to the foreclosure of this Deed of Trust or the delivery of a deed in lieu of foreclosure, to execute all instruments of assignment, conveyance or further assurance with respect to the Property Rights, Property Agreements, Leases, Rents and Fixtures in favor of the grantee of any such deed and as may be necessary or desirable for such purpose, (c) to prepare, execute and file or record financing statements, continuation statements, applications for registration and like papers necessary to create, perfect or preserve Beneficiary's security interests and rights in or to any of the Collateral, and (d) upon the occurrence of an Event of Default, to perform any obligation of Grantor hereunder or under any of the other Transaction Documents; however: (1) Beneficiary shall not under any circumstances be obligated to perform any obligation of Grantor; (2) any sums advanced by Beneficiary in such performance shall be added to and included in the Obligations and shall bear interest at the Default Rate from the expiration of the applicable Demand Period until paid by Grantor; (3) Beneficiary as such attorney-in-fact shall only be accountable for such funds as are actually received by Beneficiary; and (4) Beneficiary shall not be liable to Grantor or any other person or entity for any failure to take any action which it is empowered to take under this Section 8.3.

Section 8.4. Successors and Assigns. This Deed of Trust shall be binding upon and inure to the benefit of Beneficiary Trustee and Grantor and their respective successors and assigns provided that Grantor shall not, without the prior written consent of Beneficiary (which may be granted or withheld in Beneficiary's sole and absolute discretion), assign any rights, duties or obligations hereunder.

Section 8.5. No Waiver. Any failure by Trustee or Beneficiary to insist upon strict performance of any of the terms, provisions or conditions of the Transaction Documents shall not be deemed to be a waiver of same, and Trustee or Beneficiary shall have the right at any time to insist upon strict performance of all of such terms, provisions and conditions.

Section 8.6. Subrogation. To the extent proceeds under the Transaction Documents have been used to extinguish, extend or renew any indebtedness against the Collateral, then Beneficiary shall be subrogated to all of the rights, liens and interests existing against the Collateral and held by the holder of such indebtedness and such former rights, liens

and interests, if any, are not waived, but are continued in full force and effect in favor of Beneficiary.

Section 8.7. Security Agreement. If any conflict or inconsistency exists between this Deed of Trust and the Security Agreement, the Security Agreement shall govern.

Section 8.8. Release or Reconveyance. Upon the full, final and indefeasible payment and performance of the Obligations, Beneficiary, at Grantor's expense (but in no event exceeding \$5,000), shall release the liens and security interests created by this Deed of Trust or reconvey the Collateral to Grantor.

Section 8.9. Waiver of Stay, Moratorium and Similar Rights. Grantor agrees, to the full extent that it may lawfully do so, that it will not at any time insist upon or plead or in any way take advantage of any appraisal, valuation, stay, marshalling of assets, extension, redemption or moratorium law now or hereafter in force and effect so as to prevent or hinder the enforcement of the provisions of this Deed of Trust or the indebtedness secured hereby, or any agreement between Grantor and Beneficiary or any rights or remedies of Beneficiary.

Section 8.10. Limitation on Liability. Grantor's liability hereunder is subject to the limitation on liability provisions of Article 10 of the Security Agreement.

Section 8.11. Obligations of Grantor, Joint and Several. If more than one person or entity has executed this Deed of Trust as "Grantor," the obligations of all such persons or entities hereunder shall be joint and several.

Section 8.12. Governing Law. This Deed of Trust shall be governed by the laws of the State of Nevada.

Section 8.13. Headings. The Article, Section and Subsection titles hereof are inserted for convenience of reference only and shall in no way alter, modify or define, or be used in construing, the text of such Articles, Sections or Subsections.

Section 8.14. Entire Agreement. This Deed of Trust and the other Transaction Documents embody the entire agreement and understanding between Beneficiary and Grantor and supersede all prior agreements and understandings between such parties relating to the subject matter hereof and thereof. Accordingly, the Transaction Documents may not be contradicted by evidence of prior, contemporaneous or subsequent oral agreements of the parties. There are no unwritten oral agreements between the parties.
