**COMMERCIAL AFFIDAVIT OF
NON CORPORATE STATUS****Within the Admiralty****NOTICE TO ALL PUBLIC SERVANTS,
OFFICERS, AGENTS, EMPLOYEES,
and DEBTORS of THE UNITED STATES**

1. A matter must be expressed to be resolved.
2. In Commerce, Truth is sovereign.
3. Truth is expressed in the form of an Affidavit.
4. An un-rebutted Affidavit stands as Truth in Commerce.
5. An un-rebutted Affidavit becomes the judgment in Commerce.

Gheorghe Botosanu, referenced herein as Affiant, being of sound mind and competent to make this affidavit, having personal first hand knowledge of the information and facts contained herein, is hereby declaring and attesting to all included facts in Affiant's lawfully authorized capacity.

1. The facts are that: Affiant Gheorghe Botosanu was told that Affiant was born to Alexander Botosanu father, and Ecaterina (Csacki) Botosanu, mother, on 29 August 1958, on the land within the Sovereign Sect I, Ilfov county, Bucharest municipality, as a freeborn Romanian¹, known as Gheorghe Botosanu. Affiant was never informed of having any political status at the time of Affiant's birth, therefore Affiant, as a freeborn, was entitled to all natural rights endowed by Affiant's Creator, fundamental rights, inalienable rights.

2. Affiant has no knowledge of ever having been shown proof that Affiant has ever lawfully been a 14th Amendment U.S. citizen, "United States Person," "United States citizen," "citizen of the United States," "United States Resident," "U.S. Individual," "U.S. Corporation" or "citizen subjected to the jurisdiction thereof", that Affiant is now or ever has been a Commercial 'corporation', a private 'corporation', a Fiction of Law, a Fictitious Entity, Corporate Persona, a Federal citizen, a Taxpayer, a Legal Entity, Federal Personnel, that Affiant has lawfully been a surety for any of the above enumerated corporations created under the laws of the United States², or of any corporate State of the United States, or of the District of Columbia corporation, or of any territory, commonwealth or possession of the United States corporation, or of any foreign state or country corporation, public or private, or that is Affiant a "human resource," or "human capital," as such are "words of art" in law, that Affiant is a vessel as documented under Chapter 121 of Title 46, United States Code, or a vessel so numbered as provided in Chapter 123 of aforementioned Title 46. Therefore, the Affiant rebuts and denies all the previous assumptions and presumptions.

3. Affiant has no knowledge of ever having been shown proof of any election(s) made by the United States corporation or any agency or department thereof that might identify Affiant as being, or ever having been, a 14th Amendment U.S. citizen, U.S. Person, alien citizen, resident alien, or a commercial resident of any territory, possession, instrumentality or enclave falling under the exclusive jurisdiction of the congress of the United States as defined in the Constitution³ for the united States of America. Further, Affiant rebuts and denies any presumption of law that Affiant has ever, knowingly, willingly and with full knowledgeable intent, and understanding of the consequences, pledged, agreed or contracted to be treated as such citizen or resident alien.

4. Affiant has no knowledge of ever being shown proof that Affiant is, or ever has been, knowingly, willingly, with fully informed understanding of the consequences, a "commercial resident of," "corporate resident" of, "resident" of, "inhabitant" of, a "franchisee" of, "subject" of, "ward" of, "property" of, "chattel" of, "human capital" of, "human resource" for, or "subject to," the jurisdiction of the United States corporation, or of any corporate state, corporate county, corporate city, or municipal body politic created under the primary authority of Art. I, Sec. 8, Cl.17, and Art. IV, Sec. 3 Cl. 2, of the Constitution for the united States, or that Affiant resides in or has been a citizen of, or a resident of, the shadow STATE corporation styled as THE STATE OF NEVADA, nor does Affiant acknowledge or support the 51 shadow STATES that have usurped the De Jure States' functions⁴, and hereby rebuts and denies the above stated assumptions and presumptions.

5. Affiant has no knowledge of ever having been shown proof that Affiant was a Federal citizen therefore Affiant rebuts and denies that Affiant is now or ever intended to be a Federal State Citizen or resident as defined by the Buck Act, and Affiant further declares that Affiant does not reside in the Federal corporate territory of the DISTRICT OF NEVADA, an alleged Federal corporate territory as created by the Buck Act⁵, the same Federal corporate territory which has expropriated the rightful power and authority from the De Jure Government.

6. Affiant has no knowledge of ever having been shown proof that Affiant is subject to the legislation and jurisdiction of the United States corporation, and subject to any legislation created by or under the jurisdiction of any employees, officers, or agents who derive their authority from or through the United States corporation, and hereby rebuts and denies any such subject attachments.

7. Affiant has no knowledge that Affiant was ever shown proof that Affiant was subject to or bound by the jurisdiction of the Administrative and Legislative Article I Courts⁶. Affiant therefore rebuts and denies being subject to, or bound by, the jurisdiction of the Administrative and Legislative Article I Courts, and of being obligated by any precedents established by such courts as all Legislative Article I Courts have been created by and for the "United States" corporation. Affiant therefore rebuts and denies any such subject matter jurisdiction.

8. Affiant has no knowledge of ever having been shown proof that Affiant is now, or ever having been, an officer of, agent for, debtor of, franchisee of, or a fiduciary agent for the United States corporation or for any agency of the United States corporation. Affiant therefore rebuts and denies any charges to that effect.

9. Affiant has no knowledge of ever having been shown proof that Affiant has any liability or as having incurred any liability in person or in estate for the benefit of the United States corporation, and that Affiant, or Affiant's estate is presumed to be obligated as a surety for the United States corporation, or is Affiant a resident of, an inhabitant of, or domiciled within, any corporation and therefore rebuts and denies all charges to that effect.

10. Affiant has no knowledge of ever having been shown proof that Affiant has incurred liability based on alleged signature(s) on any and all forms, such as U.S. corporate Naturalization applications, STATE Marriage and Driver licenses, et. al., which may be so construed as to give any United States agency or department of the United States corporation, created under the authority of Article I, Sec. 8, Cl. 17 and Article IV, Sec. 3, Cl. 2 of the Constitution of the United States corporation, alleged authority or jurisdiction over Affiant, or over any matter pertaining to Affiant. Affiant thus annuls, revokes and cancels *ab initio*, any alleged signatures which might be thusly construed.

11. Affiant has no knowledge of ever having been shown proof that Affiant has incurred liability based on all powers of attorney, in fact or presumed, allegedly signed by Affiant, or signed by any other agent(s) on Affiant's behalf, with or without Affiant's consent, including but not limited to any such power(s) of attorney which may be alleged to pertain to Affiant, with specificity to all such signatures made by agents or officers of the United States corporation, colorable, public or private. Affiant thus annuls, revokes and cancels *ab initio*, any signatures which might be thusly construed.

12. This Affiant has no knowledge of ever having been shown proof that Affiant's alleged signatures which, any United States corporate agency purported use of to create any bonds, trusts, et. al. are applicable to the Affiant. Affiant therefore rebuts and denies, and thus annuls all such uses of said signatures. This annulment is based upon the continuous non-disclosure of pertinent facts by the United States corporation and agents of the United States corporation, relative to all government applications, forms or documents allegedly signed by this Affiant that have comprised a constructive fraud perpetrated upon Affiant, culminating in many years of loss of Affiant's natural born sovereign status, thus effectively denying Affiant his property rights and abrogation of his rightful freedoms.

13. Affiant states that at 19 years of age Affiant applied for a job and Affiant was told by the prospective employer that Affiant must apply at the Social Security Administration to obtain a Social Security Number, the possession of which would permit Affiant to work. Affiant traveled to the Social Security Administration office and asked the agent representing the Social Security Administration what Affiant needed to do to obtain the prospective job. Affiant was given an SS-5 form and was told to fill it and sign it. Affiant was never told by the agent for the Social Security Administration, that being assigned the Social Security Number created any presumption of contractual obligation, or constituted any form of pledge or agreement. Affiant was never informed at any time of any stipulations relative to underlying contractual bond relative to Affiant's signature on the instant SS-5 form, but Affiant was instead told that the acquisition of a Social Security Number was necessary to obtain gainful

work, without which work the Affiant could not survive. The words "contract," "pledge" or "agreement" were never mentioned, and no disclosure was made to Affiant about such contractual stipulations relevant to the solicitation of Affiant's signature on the SS-5 form. The legal duty of the representative for the Social Security Administration was to make full disclosures without omissions or concealments, as the agent knew or should have known that such nondisclosure constituted a breach of legal and equitable duty, and moreover knew that such acts of omission would create an unjust advantage to the agents employer and a loss to Affiant as the result of the perversion of truth and the concealment of that which should have been disclosed, leading to the Affiant's unknowing surrender of legal rights, wherein Affiant acted upon fraudulent misrepresentation to Affiant's legal injury.

14. Affiant has only recently learned of the alleged and presumed contract, trusts, agreements and/or pledges implied by the signing of the SS-5 application and the subsequent submission of said form to the Social Security Administration. Affiant, having never been informed by any duly authorized representative of the Social Security Administration, or by any agent, officer or representative of the United States corporation of any alleged or presumed obligation of contract effected by the act of signing and submitting an SS-5 application for Affiant's use of a Social Security Number is now timely and *nunc pro tunc*, denying, annulling and rebutting any and all presumed or implied obligations of bond as specified under the Doctrine of Laches⁷.

15. Affiant has no knowledge of ever having been shown proof that any obligation of bond exists between alleged contracting parties which creates the presumption of obligation and compels performance based upon the name given to Affiant at birth styled as Gheorghe Botosanu, and the legal caption of a corporation, legal entity, or an individual who is *Capitis Diminutio Maxima*⁸, and who has lost all rights of citizenship, status, freedom and family right, styled as GHEORGHE BOTOSANU, and any variations thereof as might exist in the records of the Social Security Administration, the Internal Revenue Service, U.S. Department of Defense, INTERPOL, N.C.I.C.⁹, the FEDERAL RESERVE BANK and all corporations including subsidiaries, governments, agencies of governments, or existent data bases that may be associated with SS# -4951¹⁰, which identifier has been usurped by *facit hypothecation*. Affiant Gheorghe Botosanu reserves the use of the fictitious entity styled as GHEORGHE BOTOSANU and any variations thereof, signing without recourse as agent only for that entity, which action is taken under duress and as a matter of necessity for survival in the fictional commercial world wherein the Affiant is coerced and compelled to live.

16. Status as "U.S. citizen" is defined in the United Nations Covenant, **(Article I, Self Determination, Paragraph 9)**, which states: **"the people of the United States are free in law and in practice to determine their political status within the structure of the Constitution."** **Paragraph 12** states, **"The United States includes a number of Insular Areas, each of which is unique and constitutes an integral part of the U.S. political family. Persons born in these areas are U.S. citizens, (U.S. nationals in the case of American Samoa)."**¹¹ Therefore, any presumption of an alleged "benefit" derived by Affiant, by and through the use of private

money, Federal Reserve Notes, is denied, revoked and rebutted. Any presumption made by the United States corporation or by any agents of the United States corporation that a burden of contractual obligation exists relative to Affiant, related to or based upon any presumed 'political status' styled as "U.S. citizen" is hereby rebutted and denied, is not valid, and without foundation. The coerced and compelled use of such notes has been made necessary by the United States corporation as an adjunct to survival in commerce and Affiant uses these notes only under duress and therefore rebuts any presumption that such use in any manner changes Affiant's status to that of "U.S. citizen" or creating an obligatory bond of compelled involuntary servitude.

17. Affiant has no knowledge of ever having been shown proof that Affiant is or ever has been an enemy of the United States corporation or any corporation or agency created under the laws of the United States Congress, or of any state of the union of states, the District of Columbia corporation, or the laws of any territory, commonwealth or possession of the United States corporation, or the laws of any foreign state or country, public or private, as elucidated by Title 50 United States Code. Affiant rebuts and denies for and on the record that Affiant was or is any kind of enemy of the State. Affiant comes in Peace!

18. Affiant has no knowledge of ever having been shown proof that Affiant has any affiliation with enemies of any public or private corporation, nation or government, foreign or domestic, and therefore rebuts and denies any such affiliations.

19. NOTICE: Affiant has not attested the foregoing affidavit for the purpose of political debate but rather to establish pertinent facts which clearly show that the United States corporation lacks jurisdiction in all matters relative to Affiant and, further lacks the jurisdiction to affect Affiant's rights, property, and to determine Affiant's political status.

20. Any rebuttal to statements or claims within this affidavit made by Affiant must be executed in accordance with standing commercial law. Furthermore, any statements or claims made by Affiant which might be successfully rebutted shall not prejudice the lawful validity of all other claims not properly rebutted by facts and law.

21. This stated AFFIDAVIT OF NON CORPORATE STATUS under Commercial Law can only be satisfied:

- (i) by a rebuttal Affidavit of Truth, point for point,**
- (ii) by payment,**
- (iii) by express agreement or tacit procurement.**
- (iv) by a jury of Affiant's peers under the rules of the Common Law.**

Affiant does solemnly attest and acknowledge that all statements of fact contained herein, are true, correct and complete to the best of Affiant's knowledge and belief. All facts and laws contained in this affidavit are verifiably founded upon ruling case law and current standing decisions of the Supreme Court of the United States corporation and no fact or law herein referenced has been found to be "frivolous" by any court. All statements made herein by Affiant are technical facts of which each fact and statement must be rebutted, point for point, by sworn Affidavit containing indisputable documentation of fact and law, or shown to be false by virtue of overriding Article III Supreme Court rulings.

COMMERCIAL AFFIDAVIT OF NON CORPORATE STATUS

22. Affiant hereby acknowledges and declares through adoption, Affiant's status to be that of American National Sovereign in Affiant's own right and further declares as an answer to any presumptions of law that Affiant is not a citizen of the United States corporation. Affiant does so declare under penalty of perjury, in accordance with the laws of the Creator, the united States of America and the Law of Nations, and that the foregoing declaration in its entirety is made from without the "United States"².

23. Affiant herein preserves all rights granted by the Creator, specifically all rights existing and pertaining to Affiant at the time of Affiant's birth, and reserves all rights created by and through the recordation of the instant affidavit of fact and truth, which affidavit serves as Affiant Gheorghe Botosanu's public and private claim to Affiant's Sovereign right and to all protections bequeathed to Affiant in the Constitution for the united States of America, circa 1789, which document, as written, charged the government of this nation with the duty and obligation to function as the servant of 'we the people', consequently to honor that charge, this current government remains under mandate to serve only the best interests of this Affiant.

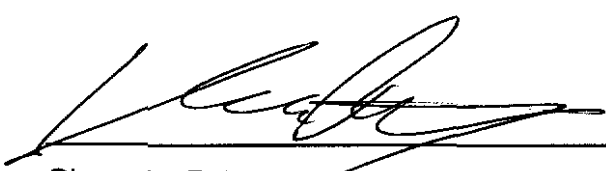

Notice: Any errors of omission or otherwise, shall not adversely affect, influence or change this document in any way whatsoever.

Further, Affiant sayeth not.

I, Gheorghe Botosanu, herein referenced Affiant, do solemnly attest and acknowledge that all statements of fact contained herein are true, correct and complete to the best of my knowledge and belief. And so I do attest, affirm and declare under penalty of perjury from without the "United States."
