DEBTORS, AND CREDITORS
OF THE UNITED STATES)**

1. A matter must be expressed to be resolved.
2. In Commerce, Truth is sovereign.
3. Truth is expressed in the form of an Affidavit.
4. An un-rebutted Affidavit stands as Truth in Commerce.
5. An un-rebutted Affidavit becomes a self executing Judgment in Commerce

.Donald Ellsworth Wert a living absolute biological property of the Creator¹ referenced herein as Affiant over 18 being of sound mind and competent to make this affidavit having personal first hand knowledge of the information and facts contained herein is hereby declaring and attesting to all included facts in Affiant's lawfully authorized capacity.

1.) The facts are; Affiant was told that Affiant was born to Cecil Gerald Wert 'a freeborn Michiganian' father and Dorothy Louise (Sweeney) Wert,' a freeborn Indianaian' mother on 5 November, 1930 on the land within the Sovereign Michigan Republic `county of St. Joseph' 'Fawn River Twp' 'municipality of Sturgis' as a freeborn Michiganian². Affiant was never informed of having any political status at the time of Affiant's birth therefore Affiant as a freeborn native of one of the several states of the American union having at that time the nationality of Michiganian was at that time entitled to all natural, absolute biological property rights endowed by the creator and all fundamental and unalienable rights and to all protections provided by the constitution for the united States of America, circa 1789 and to all protections enumerated in The Bill of Rights. Affiant has no

knowledge of ever having been shown proof that Affiant has ever lawfully been declared nor found to be IDIOTA thus requiring the Affiant to be represented by an attorney thus the Affiant rebuts and denies the need for re-presentation and does so attest.

2.) Affiant has no knowledge of ever having been shown proof and believes that no evidence exists on the record that Affiant has ever lawfully been a U.S. citizen 'United States person' 'United States citizen' 'citizen of the United States' 'United States Resident' 'U.S. Individual' 'U.S. corporation' or 'citizen subject to the jurisdiction thereof.' That Affiant is now or ever has been a 'refugee' 'freedman' 'commercial corporation' or 'private corporation' 'Fiction of Law' 'Fictitious Entity' 'Corporate Persona' 'Federal citizen' 'Taxpayer' 'Legal Entity' nor was Affiant notified lawfully of being a 'surety' for any of the above enumerated corporations created under the laws of the United States or of any corporation state of the Union States of the District of Columbia corporation of any 'territory' 'commonwealth' and 'possession of the United States corporation'³ or of any foreign state and country public and private corporations nor was Affiant shown proof that Affiant was a 'human resource' or 'human capital' as such "words of art" are used in law thus Affiant rebuts and denies all such status. Further Affiant has no knowledge of ever having been shown proof that Affiant is a vessel documented under Chapter 121 of Title 46, United States Code and a vessel so numbered as provided in Chapter 123 of said Title 46. Thus Affiant rebuts and denies any presumptions of the aforesaid.

3.) Affiant hereby has no knowledge of ever having been shown proof and believes that no evidence exists on the record of any presumed election(s) made by the United States corporation⁴ and any agency and department thereof that might identify Affiant as being and ever having been a 'U.S. citizen' 'U.S. Person' 'alien citizen' 'resident alien' and a 'commercial resident' of any 'territory' 'possession' 'instrumentality' and 'enclave' falling under the exclusive jurisdiction of the Congress of the United States as defined in the Constitution⁵ for the united States of America. Further Affiant has no knowledge of ever having been shown proof of any presumptions of law that Affiant has ever knowingly willingly and with full knowledgeable intent and understanding of the consequences 'pledged' 'agreed' or 'contracted' to be treated as such citizen or resident alien. Therefore this Affiant thus hereby rebuts and denies and annuls ab initio any such presumed election(s) and presumptions upon which the United States Government corporation might rely on.

4.) That Affiant has no knowledge of ever having been shown proof and believes that no evidence exists on the record that Affiant is or ever has been 'knowingly' 'willingly' and 'with full knowledge and understanding of the consequences' a 'commercial resident' of 'corporate resident' of 'debtor' of 'resident' of 'inhabitant' of a 'franchisee' of 'subject' of 'ward' of 'property' of 'chattel' of 'human resource' and 'human capital of and' 'subject to' the jurisdiction of the United States Corporation or of any

corporate State corporate County corporate City or municipal body politic created under the primary authority of Art. 1 Sec. 8 Cl.17 and Art. IV Sec. 3 Cl. 2 of the Constitution for the united States circa 1789 nor that Affiant 'resides in' 'has been a citizen of' and 'a resident' of the shadow state corporation styled as THE STATE OF NEVADA nor does this Affiant support the 51 shadow STATES that have usurped the De Jure states functions⁶ and therefore Affiant rebuts and denies any such aforesaid charges with which Affiant might be charged.

5.) Affiant has no knowledge of ever having been shown proof and believes that no evidence exists on the record that Affiant was a Federal citizen and therefore rebuts and denies that Affiant is now or ever has intended to be a 'Federal State Citizen' and 'Resident' as defined by the Buck Act and Affiant further declares that Affiant does not reside in the Federal corporation territory of the DISTRICT OF NEVADA 'a presumed Federal corporation territory' as created by the Buck Act⁷ a Federal corporation territory which has expropriated the rightful power and authority from De Jure Government.

6.) Affiant has no knowledge of ever having been shown proof and believes that no evidence exists on the record the Affiant was subject to any legislation and jurisdiction created by and under the jurisdiction of any employees officers or agents who derive their authority from and through the United States corporation bylaws i.e. United States Codes and CFR's. Affiant therefore rebuts and denies any such subject attachments.

7.) Affiant has no knowledge of ever having been shown proof and believes that no evidence exists on the record that Affiant is now or ever was subject to and bound by the jurisdiction of the Administrative and Legislative Article I Courts⁸ nor is Affiant obligated by promulgation of Precedents established by such courts as Legislative Article I Courts were created by the United States corporation does not control other than corporations and Affiant therefore rebuts and denies any such subject matter jurisdiction and Donald Ellsworth Wert a living absolute biological property of the Creator does not consent to any in personam jurisdiction in the above stated Courts.

8.) Affiant has no knowledge of ever having been shown proof and believes that no evidence exists on the record of ever having been 'an officer' of 'agent for' 'debtor of' 'Franchise of' and 'fiduciary agent for' the United States Corporation and for any agency of the United States corporation and therefore rebuts and denies any charges deriving from those effects.

9.) Affiant has no knowledge of ever having been shown proof and believes that no evidence exists on the record that Affiant had incurred any 'liability in person' and 'in

estate' for the benefit of the United States corporation. Any presumptions that Affiant or Affiant's estate is presumed to be obligated as a surety for the United States corporation or that this Affiant is a 'resident of' 'an inhabitant of' 'or domiciled within' any corporation. Affiant therefore rebuts and denies any charges deriving from those effects.

10.) Affiant has no knowledge of ever having been shown proof and believes that no evidence exists on the record that Affiant had incurred any liability on any alleged signature(s) on any and all forms such as 'State marriage' 'State drivers licenses' and others which may be so construed as to give any United States agency and department of the United States corporation created under the authority of Article I Sec. 8 Cl. 17 and Article IV Sec. 3 Cl.2 of the Constitution for the united States alleged authority and jurisdiction over Affiant and over any matter pertaining to Affiant. Affiant annuls revokes and cancels *ab inito* any signatures which might be thusly construed.

11.) Affiant has no knowledge of ever having been shown proof and believes that no evidence exists on the record that Affiant had incurred any liability on any powers of attorney 'in fact' and 'presumed' allegedly signed by Affiant and signed by any other agent(s) allegedly on Affiant's behalf with and without Affiant's consent including but not limited to any such power(s) of attorney which may be alleged to pertain to Affiant with specificity all such signatures made by agents and officers of the United States corporation colorable public and private. Affiant thus annuls revokes and cancels *ab inito* any signatures which might be thusly presumed.

12.) This Affiant has no knowledge of ever having been shown proof and believes that no evidence exists on the record that Affiant's alleged signatures which any United States corporation agency uses to and purports to use to create any bonds and trusts and other documents would/might be considered applicable to the Affiant. Affiant therefore rebuts and denies and thus annuls all such uses of said signatures and such annulment is based upon the initial and continuous non-disclosure of pertinent facts by the United States corporation and agents of the United States corporation relative to all government applications forms or documents allegedly signed by this Affiant which forms and documents have comprised continuous constructive fraud perpetrated upon Affiant culminating in many years of loss of Affiant's natural born National Sovereign status thus effectively denying Affiant his Creator given property rights and abrogating Affiant's rightful freedoms.

13.) Affiant states that at the age of 18 years of age Affiant applied for a job and was told by the prospective employer (TriState Printing) that Affiant must apply at the Social Security Administration to obtain a Social Security Number the possession of which would permit Affiant to work. Affiant traveled to the Social Security Administration office and asked the government agent representing the Social Security Administration what Affiant needed to do to obtain the prospective job. Affiant was given a SS-5 form and told to fill it out and sign it. Affiant was never told by the agent for the Social Security Administration, that being assigned the Social Security Number created any presumption of contractual obligation or

constituted any form of pledge or agreement. Affiant was never at any time informed of any stipulations relative to underlying contractual obligations relative to Affiant's signature on the instant SS-5 form but rather was told that the acquisition of a Social Security Number was necessary to obtain gainful work without which work the Affiant could not survive. The words "contract" "pledge" or "agreement" were never mentioned and no disclosure was made to Affiant about such conditions as relevant to the solicitation of Affiant's signature on the SS-5 form. The legal duty of the representative for the Social Security Administration was to make full disclosure without omissions and concealments and the agent knew or should have known that such acts constituted a breach of legal and equitable duty moreover that such acts would create an unjust advantage to the agents employer and a loss to the Affiant by virtue of the perversion of truth and the concealment of that which should have been disclosed leading to the Affiant's surrender of a legal right and the absolute biological property of the Creator wherein Affiant acted upon such misrepresentation to Affiant's legal injury.

14.) Affiant has only recently learned of the presumed 'contract' 'agreement' and/or 'pledge' implied by the signing of the SS-5 application and the subsequent submission of said form to the Social Security Administration. Affiant having never been informed by any duly authorized representative of the Social Security Administration or by any agent officer or representative of the United States corporation of any alleged or presumed obligation of contract effected by the acts of signing and submitting an SS-5 application for a Social Security Number thus Affiant is now timely denying and rebutting all presumed or implied obligations as specified. Reference: under the Doctrine of Laches⁹.

15.) Affiant has no knowledge of ever having been shown proof and believes that no evidence exists on the record that any obligation of bond between alleged contracting parties which presumes to obligate performance from Affiant exists between the name given to Affiant at birth in the Sovereign Republic of Michigan File # 121-078-0003120 styled as 'Donald Ellsworth Wert' and the legal caption of a corporation legal entity or an individual who is Capitis Diminutio Maxima¹⁰ and who has lost all rights of citizenship status freedom and family right styled as DONALD ELLSWORTH WERT and any all capital letter variations thereof as might exist in the records of the Social Security Administration and the Internal Revenue Service associated with 384- -1659 and E90095409 which has been usurped by tacit hypothecation to an advantage of the United States corporation and the Federal Reserve Bank to 'convert' and 'force' Affiant into an entity able to function in the corporate world of Commerce.

16.) Affiant reserves the use of the fictional entity DONALD ELLSWORTH WERT signing as the agent 'without recourse' for the entity under duress and as a matter of

⁹ (Croyle v. Croyle, 184 Md. 126, 40 A.2d 374, 379), (Wisom's Adm'r v Sims, 144 S.W.2d 232, 235, 236, 284, Ky. 258).

necessity for survival in the fictional commercial world wherein the Affiant is 'coerced' 'intimidated' and 'compelled' to live.

17.) Affiant has no knowledge of ever having been shown proof and believes that no evidence exists on the record that Affiant knowingly willingly and with fully informed understanding of a consequence of presumed obligation and surrender of jurisdiction to any corporate government affixed Affiant's name in Affiant's handwriting to any banking signature card and that Affiant subsequently employs the convenience of a checking and savings account for any other purpose than that of survival in the world of commerce in which Affiant is compelled to exist. Therefore Affiant declares a preservation of right to equal access to banking accommodations in any federal or state bank that serves the public without obligation or surrender of in personam jurisdiction to any state or federal government.

18.) Affiant has no knowledge of ever having been shown proof and believes that no evidence exists on the record that Affiant is a presumption made by the United States corporation or by any agents of the United States corporation that a burden of contractual obligation exists relative to Affiant related to and based upon any presumed 'political status' styled as 'U.S. citizen' as such status is defined in the United Nations Covenant, , (Article I, Self Determination, Paragraph 9), which states: "the people of the United States are free in law and in practice to determine their political status within the structure of the Constitution" (Paragraph 12) states, "The United States includes a number of Insular Areas, each of which is unique and constitutes an integral part of the U.S. political family. Persons born in these areas are U.S. citizens, (U.S. nationals in the case of American Samoa)."¹¹ is thus invalid and without foundation. Therefore any presumption of an alleged 'benefit' derived by this Affiant by and through the use of 'private money' 'Federal Reserve Notes' is denied and rebutted. The 'coerced' use of such notes has been made necessary by the United States corporation failure to provide 'Public money' as an adjunct to survival in commerce and this Affiant uses these Private Federal Reserve Notes (instruments of debt.) only under 'duress' and therefore rebuts any 'presumption' that such use in any manner changes Affiant's 'status' to that of 'U.S. citizen' and creates an obligation of bond to 'compelled involuntary servitude'.

19.) Affiant has no knowledge of ever having been shown proof and believes that no evidence exists on the record why a living man should not be able to travel in a Consumer Product an 'Automobile' which is never used for commercial activities i.e. 'hauling passengers or products for hire'. Affiant has two automobiles for use of Private travel and consumer activities. Affiant a bona fide purchaser for value Paid¹² for a 1963 Volvo 544 SN 335399 with twenty one pre 1933 Silver Dollars plus labor as seller requires and thus is a Private Owner identified by Tag---'Private 1' 'NON-

20.) Affiant has no knowledge of ever having been shown proof and believes that no evidence exists on the record that Affiant was/is an enemy of the United States corporation and any corporation or agency created under the laws of the 'United States Congress' and of any 'State of the Union of States' the 'District of Columbia corporation' and the laws of any territory commonwealth and possession of the United States corporation and the laws of any foreign state and country public and private as elucidated by Title 50 United States Code. Affiant therefore rebuts and denies on the record that Affiant was/is any kind of an enemy of the State. Affiant comes in Peace!

21.) Affiant further has no knowledge of ever having been shown proof and believes that no evidence exists on the record of any affiliation with enemies of any 'public' and/or 'private corporation' domestic or foreign and therefore rebuts and denies any such affiliations. Affiant comes in Peace!

22.) NOTICE: Affiant has not sworn the foregoing affidavit for the purpose of political debate but rather to establish pertinent facts which clearly show that the United States corporation government lacks jurisdiction in all matters relative to this Affiant, and Affiant's political status.

23.) Any rebuttal to statements and claims within this affidavit made by this Affiant must be executed in accordance with standing International commercial law furthermore any statements or claims made by this Affiant which might be successfully rebutted shall not prejudice the lawful validity of all other claims not properly rebutted by facts of law.

24.) This declared Affidavit of Truth under Commercial Law can only be satisfied:

- (i) by a rebuttal 'Affidavit of Truth' 'point for point' under penalty of perjury.
- (ii) by payment,
- (iii) by express agreement or by *tacit procuration*.

25.) Affiant does solemnly attest and acknowledge that all statements of fact contained herein are true correct and complete to the best of Affiant's knowledge and belief. All facts and laws contained in this affidavit are verifiably founded upon ruling case law and current standing decisions of the Supreme Court of the United States Corporation and no fact or law herein referenced has been found to be "frivolous" by any court. All statements made herein by this Affiant are technical facts of which each fact and statement must be rebutted point for point by sworn Affidavit containing

indisputable documentation of fact and law and shown to be false by virtue of overriding Article III Supreme Court rulings. Affiant hereby acknowledges and declares Affiant's status to be an 'American national sovereign' 'Secured Party American' 'Michiganian' in Affiant's own right but not a "citizen" of¹³ the United States. And Affiant does so declare under penalty of perjury and in accordance with the laws of Affiant's Creator and the united States of America and the Law of Nations and Affiant does so attest and acknowledge from without the "United States⁵".

This Affiant, a living absolute biological property of the Creator preserves all rights granted by the Creator specifically all rights existing and pertaining to Affiant at the time of Affiant's 'birth' and reserves all rights created by and through the recordation of the instant affidavit of fact and truth which affidavit serves as Affiant's public and private claim to Affiant's 'National Sovereign political status' and to all protections provided to Affiant in the Constitution for the united States of America 'circa 1789' and the Bill of Rights which as written charged the government of this Nation with the duty and obligation to function as the 'servant' of "we the people" and in honor of such charge this government remains under mandate to serve only this Affiant's best interests.

Further Affiant sayeth not.

I 'Donald Ellsworth Wert' herein referenced Affiant do solemnly attest and acknowledge that all statements of fact contained herein are true correct and complete to the best of my knowledge and belief. And so I do swear attest and affirm under penalty of perjury from without the "United States."
