The east line of the SE1/4 Section 35, T. 2 N., R. 89 E., M.D.M. given in the BLM Dependent Resurvey of said township and range as N 01°01' W (Portrayed on Sheet 2)

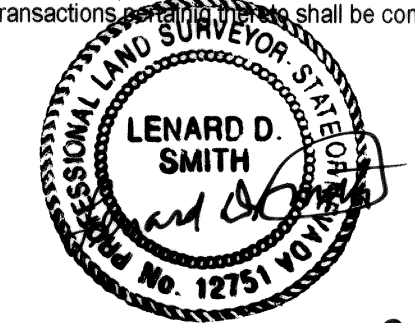

MAP NOTE

This map is constructed to serve as the basis for settling ownership of properties shown hereon as well as ownership boundaries for quiet title action. They are not strictly deed lines but areas representing accepted occupational lines.
The individual owners are certifying their satisfaction and approval of their ownerships by their attested signatures hereon.
This map is the result of a series of proposed parcel and boundary line adjustment maps submitted to Lincoln County as file numbers 09-104-PM-RR 1-PC and 09-106-PM-RR 1 & 6-PC. The Board of County Commissioners offered final approval of this map on July 6th, 2009 as an alternative to the submitted maps with the condition that a "Quiet Title action" be conducted using this map as the final alignment of parcel lines which may be subject to any court approval or modification which could require an amended survey to be recorded at a later date.
