**POWER OF ATTORNEY**

This is an important legal document. It creates a durable power of attorney for financial matters. Before executing this document, you should know these important facts:

1. This document gives the person you designate as your agent the power to make decisions concerning your property for you. Your agent will be able to make decisions and act with respect to your property (including your money) whether or not you are able to act for yourself.
2. This power of attorney becomes effective immediately unless you state otherwise in the special instructions.
3. This power of attorney does not authorize the agent to make health care decisions for you.
4. The person you designate in this document has a duty to act consistent with your desires as stated in this document or otherwise made known or, if your desires are unknown, to act in your best interests.
5. You should select someone you trust to serve as your agent. Unless you specify otherwise, generally the agent's authority will continue until you die or revoke the power of attorney or the agent resigns or is unable to act for you.
6. Your agent is entitled to reasonable compensation unless you state otherwise in the special instructions.
7. This form provides for designation of one agent. If you wish to name more than one agent you may name a co-agent in the special instructions. Co-agents are not required to act together unless you include that requirement in the special instructions.
8. If your agent is unable or unwilling to act for you, your power of attorney will end unless you have named a successor agent. You may also name a second successor agent.
9. You have the right to revoke the authority granted to the person designated in this document.
10. This document revokes any prior durable power of attorney.
11. If there is anything in this document that you do not understand, you should ask a lawyer to explain it to you.
