MAP NOTE

The deed describing this property gives bearings and distances for the line breaking the E 1/2 of SE 1/4 of Section 3 into two parcels, the western parcel being said parcel of this Record of Survey. The dividing line is further described in the deed (Book 137, Pages 398-403) as "said line being the approximate centerline of the old Hiko Highway". Since the bearings and distances for the dividing line are without a basis of bearing and don't match the Old Hiko Highway, the said highway is used as the dividing line for this record of survey.
