Recorder:

Amendment for GLS Claims -

As per Federal regulation (43 CFR 3833.0-5p) and Nevada law (NRS 517.200) the following document is submitted to correct a common typographical error on 26 GSL Claims filed in your office 16 January 2013. The name of each claim on the Certificate of Location was typed incorrectly as **GSL** and should be **GLS** to match the notices of location posted on the location monuments.

This amendment in no case effects the date of location, nor the location or size of the claims.

Following is the reference to each effected document:
