

SURVEYOR'S CERTIFICATE

I, Lenard D. Smith, a Professional Land Surveyor licensed in the State of Nevada, certify that:

- This plat represents the results of a survey conducted under my direct supervision at the instance of Audrey Kennoch.
- The lands surveyed lie within Section 2, Township 3 South, Range 67 East, M.D.M. The survey was completed on April 11, 2019.
- This plat complies with the applicable state statutes and any local ordinances in effect on the date that the governing body gave its final approval.
- The monuments depicted on the plat are of the character shown, occupy the positions indicated and are of sufficient number and durability.

Map Note of Variance from Record Map
 This map varies in the Southwest corner with the record maps (Plat Book B at Page 295 Doc #114299 and Plat Book B at Page 336 Doc #115183) wherein a discrepancy there-in shows the boundary lines following a portion of Gordena Road and the powerline, both of which are at variance with existing measurements of road and powerline. Field finding are that the monuments originally set for record map also do follow the powerline and Gordena Road as currently measured and existing. This map preserves the boundaries along Gordena Road and the powerline.

MAP NOTES

All original Tract and Parcel lines of the record (parent) maps (Maps of Division into Large Parcels, Plat Book B at Pages 336 and 364) are the centerlines for 20' utility easements. All interior parcel lines per this map are the centerlines for 20' public utility easements. Additionally, all roads herein are also easements for multi-purpose utilities per this map.
 Gordena Lane is accepted by the county as a 60' public road, maintained by the county.
 All other roads per this map are privately owned and maintained and are easements for ingress and egress.
 Parcels of this map are not subject to further division.
