This affidavit concerns our Robin #1 and Robin #2 Mining Claims in Panaca, Nevada. Records indicate our mining claims have been in continuous operation, under our family's ownership, since 1952. Our family has leased these claims to operators who have actively mined them through August 2010. However, during the mineral examination, we lost the operator who had been mining the property since 2002.

The Bureau of Land Management's mineral report of the approximately 320 acres, known as Robin #1 NMC82428 and Robin #2 NMC82429, determining them to be locatable, was completed on June 14, 2017, and the technical approval date, September 25, 2017.

We hereby state that the above information is true to the best of our knowledge. We also confirm that the information here is both accurate and complete and any relevant information has not been omitted.
